# A TRIBUTE TO JOHN GRASON HICKS
## DIRECTOR OF MISSIONS
## BUNCOMBE BAPTIST ASSOCIATION 1972 - 1984

'aul said to the Ephesians: "I beseech you that you walk worthy of the ocation wherewith you are called, with all lowliness and meekness, with ong suffering, forbearing one another in love; endeavoring to keep the nity of the Spirit in the bond of peace." In the next few minutes we eek to honor one who has "walked worthily, with all lowliness and meek-ess." In fact, this verse accurately and appropriately describes the hristian character and demeanor of John Grason Hicks, who has served o faithfully and effectively as Director of Missions for the Buncombe aptist Association the past twelve years!

n February 16, 1917, there entered into the Kings Mountain, N. C. home f Joe and Besless Hicks a baby boy, their third child and first son. en more children would follow the addition of John into the Hicks' family. hese stalwart, Christian parents guided and influenced the lives of their hirteen children toward a God-fearing, God-loving and God-serving rela-ionship. These precious parents not only introduced John to the righteous ay of life, but by precept and example encouraged and challenged him o stedfastly walk the "narrow way." The influence of his parents left ts lasting effect upon John, who at the age of twelve years surrendered is heart and life to the Lord Jesus. The pursuit of God's will for his ife led John to Gardner-Webb College. While a student there he worked n Shelby and it was during this time, at the age of twenty-one, that ohn heard and heeded the call of the Master into church related vocation nd he surrendered to preach the Gospel. John was ordained by the First aptist Church of Kings Mountain on July 12, 1944. After receiving his ssociate in Arts Degree from Gardner-Webb, John went to Wake Forest Coll-ge where he completed his college studies and received his Bachelor of rts Degree.

The Lord directed John's life to Southern Baptist Theological Seminary in Louisville, Kentucky. John became involved with theological studies there but also found time for a few courses in social life. It was during his days as a student at the seminary that he courted and ultimately wo the affections of Martha Eller, also a seminary student. They were marrie in 1943. John and Martha have three children, Mike and David, who reside and work here in Asheville, and Mary Beth who has just completed studies at Gardner-Webb College. Mary Beth has, like her Mother and Daddy, surrendered to church related vocation and is presently serving as Yout Director of the First Baptist Church of Arden. Her future plans include attending her parents' alma mater, Southern Seminary.

Martha and John have had a very busy and productive life together in Kingdom work. It began with a student pastorate in Swallowfield, Kentucky and through the years it has taken them to the First Baptist Church, Liberty, N.C., Oakdale Baptist Church of Spencer, N.C., Stallings Memorial Baptist Church of Salisbury, N.C., Bruner's Chapel Baptist Church of Harrodsburg, Ky., First Baptist Church of Old Fort, N.C., Mon Aetna Baptist Church of Union, S.C., and Westwood Baptist Church of Asheville. In eac of these churches, John's ministry was effective and enhancing to th Kingdom of God. One of these pastorates was so outstanding that it wa recognized and acknowledged by the Southern Baptist Convention in th publication the Sunday School Builder. Two missions grew out of this particular pastorate which ultimately became self-sustaining churches. W who have been in Asheville for any length of time are aware of the wonderful leadership John gave as pastor of one of our own Buncombe Associatio churches. God used John and blessed him as a loving, caring, and compassionate "shepherd of the sheep."

But then God had another work for John to do. It was to be a work of greater responsibility and outreach. One that would demand not only tim and ability, but extra "lowliness, meekness and longsuffering." A pasto deals with one congregation of people. A Director of Missions must dea with many churches and in Buncombe Association that means ninety-two churches. On Monday evening, July 17, 1972, the Associational Board o the Buncombe Baptist Association extended a call to John Grason Hick to become Director of Missions. John accepted the call with this statement "There is a deep sense of gratitude in my heart for the Association, fo the confidence they have placed in me, and for the love expressed in calling me into this high place of service. This is truly a highlight of life and blesses my heart greatly."

With this thought in mind, John set about his task with fervor and jo Many, many are the accomplishments of his ministry among us and the is not time enough to share all the highlights of his work. A few fac simply must be mentioned, however. When John began serving our Associatio the total Mission Giving was a very wonderful and magnanimous amount $596,149.00. In the past twelve years that giving has grown to such extent that in 1983, we gave $1,457,912.00. Our Cooperative Program givi has grown from $333,685.00 to more than double that amount - $702,935.0 and our Associational Mission Gifts have grown from $23,675.00 to fo times that amount -- $109,132.00. While it is true that John Hicks' min stry alone did not increase these gifts, it is a fact that without leader with vision and concern and expression of both these traits, t "people perish!" Praise God for a man whose work among us was one th did not push and shove, but quietly encouraged and inspired response God's claims upon us.

his inspired leadership initiated and developed various conferences, etreats and ministries which have caused our Association to grow in knowedge and application of knowledge. The Interfaith Witness Conference hich was begun in 1972 has become an annual event. Seminary Extension ourses also got underway on a regular basis in that year. Associational outh Rallys were "baptized" in 1972 and have become not only annual, ut semi-annual and even quarterly events.

uarterly leadership meetings for church program directors were initiated n a regular basis in October of 1973. This particular program has been o successful that several associations in the state have modeled their uarterly meetings after our program.

ur Association, under the innovative leadership of John Hicks, has sought o meet the spiritual and social needs of every group represented in our hurches. In 1975, the first Senior Citizens event was held and that work ontinues to grow. Children's Choir Camp, Youth Choir Retreats, RA Track eets, BSU on the UNCA campus, and Singles' Organization reach out to pecific age groups and provide needed and effective ministries that go eyond the regular Mission study and Training groups of our Sunday School, hurch Training and Missions Organizations. These endeavors have increased reatly in terms of interest and participation and effectiveness throughut the churches of our Association.

hallenges have been put before us in the form of Sunday School Action rograms, World Missions Conferences, Aid to flood and tornado victims - even within our own Association -, People Search, joint mission efforts ith the State of West Virginia, "Here's Hope" Crusade, (in which 63 f our 92 churches participated and in which there were 163 professions f faith in Christ, 81 additions by letter and 2 by statement of faith nd 9 answering the call to church related vocations). All of these experences could have been attempted singly and with good results, but so uch more was accomplished under the Spirit-directed leadership of our irector of Missions. During this time John also served as Trustee at Southeastern Baptist Theological Seminary for the past five years.

As the work in Buncombe grew, the need for additional staff developed and the Association voted to enlarge the number of personnel. Therefore, a Christian Social Ministries Director, Gayle Brown, was called to serve full-time along with a Director of Education Ministries and Financial Secretary, Martha Hicks. Martha and Gayle both had already been serving in these areas but to a lesser degree and now we had a completed staff to meet the needs of the day. These three Directors have worked faithfully and compatibly together as they have sought only to do the Lord's will with respect to all of our programs and activities and to do so in the most realistic and effective manner. God has richly blessed their efforts as they have served together. The wonderful working relationship of all of our staff, including all secretaries and summer workers, etc. has always been one that promoted concern, genuine interest and desire to be of assistance, whatever the circumstance or need. How blessed we have been to experience this kind of love and unity in our Associational headquarters!

These kinds of attitudes and characteristics don't "just happen." I believe we can and must attibute a goodly portion of the Associational outlook to the gracious, Spirit-filled, loving disposition of our Director of Missions. May I read to you one of John Hicks' favorite verses of Scripture?

> "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first and also to the Greek." (Romans 1:16)

This favorite verse of Brother John's reveals to us that his primary concern in life is that all men shall know the power of the Gospel of Jesus Christ. It has been his desire and purpose in all of life to spread the "Good News" at every opportunity. This passage of scripture goes on to say:

> "For therein is the righteousness of God revealed from faith to faith: as it is written the just shall live by faith." (Romans 1:17)

It is this gospel of Christ in men which reveals the righteousness of God from "faith to faith," from one person to another. Surely this verse describes the life of John Hicks, whose righteousness and likeness to Christ have touched every life with whom he has come in contact.

Thank you Father, for giving to us for a season of time the ministry of your precious servant, John Grason Hicks.

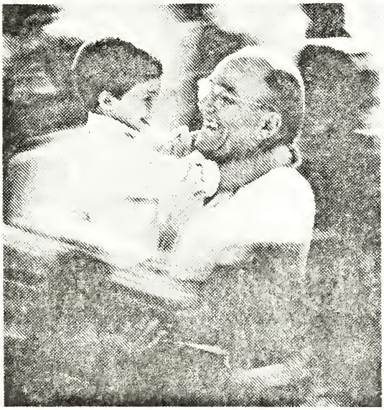
## The Association:

*missions with a personal touch*



Up close and personal. That's the heart of missions. And, that's the heart of the association. Through the association of churches, missions becomes more than just talk. More than just faceless crowds. More than just cold statistics. Missions becomes a reality. A relationship. A lifestyle. Help bring missions into focus where you live. Touch people in your community with Christ's love. Up close and personal. That's the heart of missions and the heart of the association. Make it your heart, too.

HOW

HAVE YOU BECOME INVOLVED —PERSONALLY INVOLVED— IN MISSIONS THROUGH YOUR ASSOCIATION OF CHURCHES?

I know that's a personal question. But, that's what missions is all about—getting personal.

Through the association of churches, you can put Christ's love to work and make his words come alive for people in your community. You can learn firsthand just what it means to become personally involved in missions.

Contact your associational director of missions today. Find out how you can become involved, personally involved in missions.

not taking more than two weeks vacation at one time during the year.

**"Red and yellow, black and white...."**

The song is familiar. But, we could add a few verses—"deaf and blind, rich and poor" or "old and young, single and married."

Jesus *does* love all the peoples of the world. And Southern Baptists—working through churches in association—can reach all those peoples with his love.

The association—it's your chance to be on mission in our community to the world.

# ACTING DIRECTOR OF MISSIONS REPORT

s past year has been a rather trying year for Buncombe Baptists. In mid-
ember our Director of Missions, John G. Hicks, was diagnosed as having
cer. Brother John went to the hospital on Tuesday, December 13, and
surgery on Monday, December 19. A second surgery followed on Tuesday
ning, December 27. After several weeks in the hospital John returned
e. Since the hospital stay he has been home receiving chemotherapy treat-
ts over a period of several months. We continue to remember Brother
n and his family during this period of extended illness. We pray that
's grace will be sufficient to meet all the needs of the family.

leadership of the Buncombe Baptist Association thought it fitting and
per that something should be done for Brother John. Sunday, February
1984, was designated as "John G. Hicks Appreciation Day" in the churches
the association. Gifts totaling over $26,000 were received from Buncombe
tist churches, businesses, and friends. This tremendous response was
ribute to John and an expression of appreciation for his leadership of
association over the past twelve years. John and Martha have made signi-
ant contributions to the family of Buncombe Baptists and to the growth
the Lord's work.

mid August Moderator Johnnie Tiller received a letter from John G. Hicks
ressed to the Buncombe Baptist Association. In part the letter read
now submit my resignation (disability retirement) as Director of Missions
become effective September 30, 1984." (The date was later changed to
ober 1, 1984 at the request of Brother John.) The Executive Committee
the Buncombe Baptist Association, in a called meeting, met on Tuesday,
tember 11, 10:30 A.M. at the associational office. Brother John's letter
read and his resignation was accepted with regret. A Search Committee
named consisting of Johnnie Tiller, Ex-Officio; Erskine Plemmons, Chair-
; Howard Candler, Edgar Ferrell, Pauline Snelson, and James Johnson.

we look back over the past year God's grace has been good to us. With
's illness heavy on our mind and hearts, Buncombe Baptists have prayed
ether and worked together sometimes under undue stress. His grace conti-
to lead us in many ways. One of the most significant happenings in
life of the association this past year was the work of the Long Range
nning Committee. This committee, under the able leadership of pastor
ie Owen, has given to us some clear goals and objectives to work toward
to implement as an association. Working through subcommittees, the
Range Planning Committee composed of dedicated people, gathered valuable
s and information about our association's past and present. The committee
made some "key" recommendations as to the direction our association
ld consider going.

ave a rich heritage as an association. We are now one of the best and
est in the state so say many state leaders. Now is the time for all
ombe Baptists to ask the question "What is God trying to do through
my church, and my association?" May we not be selfish to seek our own
, but be obedient to His will - that He may be lifted up and glorified!

# CHURCH DEVELOPMENT REPORT

## July, August, September 1983

The very first day of July was a time of food, fellowship, and a good time with the Bivocational pastors and their families at Lake Julian. President Ray Hipps, pastor of the Lakewood church gives a good leadership to this group. Then on July 10 a Youth Event was held at the 4-H Camp at Swannanoa - a good time of swimming, playing ball, and eating. Our quarterly meeting was held on July 18. During July we continued with rehearsals for A Call To My People, had a group of GA's at camp held at Camp Bear Walla, had luncheon with a group of WMU ladies from across the state, and attended WMU Leadership for Associational leaders. Our summer students, Jenny Chilton and Sarah Crumpton, were busy this month in Vacation Bible Schools, other church activities, and resort work in the association. Also in July our Children's Music Camp was held with a rich and beautiful program presented on Thursday, July 21 at Westwood Baptist Church.

In August on the 6th, the youth presented "A Call to My People" at Home Missions Week at Ridgecrest. State Youth Evangelism night was here on the 12th - a great program with Jimmy Draper, President of the Southern Baptist Convention speaking and the "Truth" group singing. Our summer students left on the 12th and 13th - both were great in their work here and will be remembered for their commitment and enthusiasm. Both were very talented people. Marie Blackwell was in our county talking to churches about beginning work in WMU. A seminar was held in our association on "Growing an Evangelistic Church" led by Vic Cole of the Baptist State Convention.

September was Annual Meeting time and good sessions were held at Newbridge and Buckeye Churches. The youth presented "A Call to My People" which meant a great deal to all. A Citation was presented to the Music group for all their work and contribution to the work during our Centennial year beginning with the Centennial Celebration and climaxing with the world premiere of the missions awareness musical and drama "A Call to My People." Our youth who sang in this (4 performances) went to Carowinds on the 17th. An Adult Choir Workshop with Dr. Warren Angell was held in Swannanoa Church - a truly great experience. WMU and Brotherhood had their leadership conferences this month. John and I attended an Evangelism Seminar with the Home Mission Board in Atlanta for several days this month. We also attended a Director of Missions and Staff meeting with the Baptist State Convention at Caraway. During this quarter Betty and I worked on getting the church letters in and the Book of Reports ready for the printer.

## October, November, December 1983

In October we had "M" Night with Dr. Roy Edgemon as speaker. Good interest was shown in Church Training in the association. We also had our quarterly meeting with good attendance. We attended the Senior Adult dinner at Calvary and also went on the Senior Adult trip to the mountains around Boone. We also had a planning meeting on Telnet.

November was World Day of Prayer emphasis with a good attendance by districts sponsored by the WMU. We had a central clinic at the Beverly Hills church on the Understanding Books. Rick Traylor, Coordinator of Youth Work in the state led a seminar on youth work in the churches and how to plan a year's activities coordinating the educational programs in the churches. We also attended the Baptist State Convention in Greensboro. An alternate Christmas emphasis was held at the First Baptist Church and was well attended. I also met with another Director of Missions in the area on Church Development work in the association and taught an outreach clinic in two churches for all outreach leaders.

In December the Bivocational pastors and their families met for a Christmas get-together which was enjoyed by all. Also a Ministers' Christmas Banquet was held for ministers and their wives and a very interesting program was given. Both of these were beautiful events. A GA Associational Event was held at the Beverly Hills Church. The Ministers of Music enjoyed a Christmas party and also presented a program of Christmas music for the Ministers' Conference. On the thirteenth of December John was taken to the hospital and has been in ever since - they found a malignant growth in the stomach - operated for this and then had emergency surgery six days later for infection. He has really had a struggle with this cancer of the stomach which had spread to the liver. He is still taking chemotherapy. He says he loves all of you and many, many thanks for all the prayers, cards, love gifts, and every act of kindness shown to him and to his family during this time.

## January, February, March 1984

January was a hard month with John in the hospital seriously ill - much time, prayer, and efforts went to John during this time by all concerned. Our quarterly meeting was held on January 16 and on January 23 we had a good VBS Early Bird Clinic - 20 churches represented with approximately 50 present. Our Sunday School Assist Team also went to Sylva for a training session.

In February a group of Church Training leaders and pastors attended the Doctrinal Seminar on the "Doctrine of the Holy Spirit" and the Pastors' Seminar met for three days. Also, the State Evangelism Conference met in Greensboro.

March was a busy month with the Youth Crusade meeting. We had excellent attendance for this - 300+ at the Saturday Night Alive and 675-700 on the Sunday night of the Crusade. Kelvin Mosely was at his best! We had many decisions with 13 public decisions. Our VBS faculty attended training this month with the state leaders. Also we had a good group of WMU ladies attending the State Annual WMU Meeting at Fayetteville.

## April, May, June 1984

In April our youth began rehearsals each Tuesday night for the retreat music. The Finance Committee met to form the 1984-85 budget which was adopted at our April Board meeting. Our associational RA Track Meet was held at Reynolds field with 92 boys participating from 7 churches and 26 boys going on to the State Track Meet which was held at Gardner-Webb College in May. Our quarterly meeting was held on April 16 with good attendance. We also in April had a puppet conference led by Everett Robinson of the Baptist Sunday School Board. A Prayer and Awakening Dinner was held with Frank Crumpler of the Home Mission Board as speaker. On the following day Ken Medema had a concert at Asheville First Church with a full house present for this. On April 30 our WMU held its Annual Meeting at the Ridgeway Church with Dot Calvin as the main speaker and Mrs. Marvin Garrett leading the devotion and prayer time.

On the first of May we held our Sunday School Banquet in preparation for the Enrollment/Enlargement Campaign to be held in the fall. Dr. Harry Piland, Director of Sunday School work in the Southern Baptist Convention, was our speaker for this occasion. State Youth Evangelism night was on May 5 this year at the Civic Center. Out Growth Seminar led by Ron Lewis and held at Westwood Baptist Church was on the 7th, 8th and 9th of May. The Basic was taught at night and the Advanced in the mornings. Planning got under way in full force for our Camps (RA and GA) to be held in July and August. Key Leadership for all associational leaders was held at Ridgecrest. Our associational Children's Bible Drill tournament was held in May with 12 children participating and 10 went on to be State winners. Associational Missions Week was observed in the association with many volunteers working at the Baptist Building and Missions House on two Saturdays in May helping to improve the appearance of these buildings. We observed Open House here at the Baptist Building on May 27. It was a joy to have our Director of Missions here for a little while. The highlight of May was the associational Youth Choir Retreat held each year at Pigeon Forge, Tenn. This year we had a large group of youth from 25 churches, - the most churches we have ever had. The retreat program was held on Sunday, May 20 at Ridgecrest Conference Center Auditorium. It was most impressive to see youth across the entire stage at Ridgecrest. Dick Ham of Richmond, Kentucky, formerly with the Music Department of the Baptist Sunday Board was guest Director for this event.

June began Vacation Bible School in our churches. Many good Bible Schools have been held. Our summer workers, Jenny Clapp and Danny Anderson, began their work with us - Jenny in VBS and weekday ministries and Danny in resort ministries. World Hunger was also observed in the churches. A GA Event was held at Arden First Church with 90+ attending! The Church Training Council had its council meeting and annual picnic at the home of Mrs. Dorothy Queen.

Many, many thanks to all our leaders who work with us on the councils, committees, and other planning groups. It is only through these that we are able to accomplish what we are able to do in Church Development and Youth area of our work. Many, many hours of time and preparation have gone into this work. I am also grateful for all churches who have asked for assistance in developing their programs in order to reach more people for Christ - for the much interest in outreach and in developing a better youth program in the churches. Remember that Evangelism is in all we do n reaching people and developing them in the faith - and we need to be ver in earnest about the task that we have.

n addition this year, we have held over 50 council meetings, 50+ committee eetings, 100+ conferences for planning and counseling small groups from hurches or individuals, attended Ministers' and Bivocational conferences, usic rehearsals for various programs, led in three outreach clinics and sessions on youth work, attended Senior Adult training, Literacy Banquet, poke to a missions gathering, taught 2 witnessing sessions, and met with sessions of camp planning. We praise the Lord for all that He has done n our midst.

Church Development

# SUNDAY SCHOOL

On September 30, 1983 our ASSIST team led in a Sunday School Preparation week at Reed Memorial Baptist Church. The team led a similar conference at Newbridge Baptist Church on September 27, 1983.

On November 7, 1983 a district clinic using the "Understanding" series was held at Beverly Hills Baptist Church. The ASSIST team led study groups for preschool, children, youth, and adult leadership.

We held a VBS Early Bird Clinic on January 23, 1984 at Grace Baptist Church. Twenty churches were present for the event.

The ASSIST team traveled to First Baptist Church, Sylva on January 30 to learn how to conduct "Send I You" Clinics.

In March individual ASSIST members conducted one night clinics at Victory and West Asheville Baptist Churches. On March 27, 1984 our first "Send I You" Clinic was held with 7 churches represented.

On April 24 and 25, 1984 we held our annual VBS Clinic at Calvary Baptist Church.

A highlight for our year took place at First Baptist Church, Asheville with our Enlargement Campaign Kick Off Dinner. Dr. Harry Piland of the Sunday School Department, Baptist Sunday School Board, was the key speaker for the evening. Some 200 people were in attendance.

We continued preparation for the Enlargement Campaign with three preparation meetings. They were May 28, August 13, and October 11 at Grace Baptist Church. Dr. Winfield Rich, the campaign coordinator, was in charge.

Three goals for our Sunday School were set by the ASSIST team for 1984-1985:

1. To have Associational High Attendance day November 4, 1984 with an attendance goal of 12,000 in Sunday School.
2. To have a net gain of 500 enrolled in Sunday School by September 30, 1985.
3. To begin two new Sunday Schools by September 30, 1985.

# CHURCH TRAINING

Our emphasis for 1983-84 focused on two of our Church Training tasks - doctrine and ethics. The theme was "Bringing Together Belief and Behavior."

We began the new associational year in July with representatives from our association attending the Church Training Leadership Conference at Ridgecrest. As always we came away with much enthusiasm and a greater determination to train our church members for the Master's work.

In August and September we were busy making preparation for our "M" Night meeting in October. We also had a Bible Skills Rally at Biltmore Church in September.

We were very fortunate to have Dr. Roy Edgemon, Church Training Director for the Southern Baptist Convention, as our "M" NIGHT speaker. There were thirty-five churches represented with twenty-nine pastors and twenty-seven directors of Church Training in attendance. Victory received the banner for the highest attendance and Deaverview received the percentage banner. The achievement banners and plaques were awarded to Riverside and White Rock.

In January we met with Elk Mountain Church to discuss Church Training. Shortly thereafter they began a short term leadership training course.

At least twelve churches were represented at the Baptist Doctrine Seminar at Hendersonville in February. Also in the month of February we emphasized Children's Bible Drill. We met with the pastor and some leaders of Pine Burr Park and Oteen. At the invitation of Pine Burr several children who had been state winners presented a demonstration Bible Drill for them. Later two of their children participated in our associational drill.

Church Training was represented at Key Leadership at Ridgecrest in May.

The state Children's Bible Drill was held at First Baptist Church, Hendersonville in May. State winners for Buncombe Association were as follows: Mark Brookshire, Calvary; Chad Clark, Traci Clark, Stephanie Creasman, Bethany Gosnell, Cameron Gosnell, Douglas Penley, and Dwayne Rogers, Riverside; Tanya Gills and Sabrina Miller, West Asheville. Traci Clark and Cameron Gosnell were third year state winners.

In August there will be a Church Training leadership seminar for the North Buncombe District at Flat Creek Church. We plan to do more of this type training. Also in October we will have association-wide leadership training. We look forward to having Maurice Cooper and Jim Simpson from the state Church Training Department with us then.

# WOMAN'S MISSIONARY UNION

Permanent Watchword: Laborers Together with God

Watchword for Year 1983-84: "Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have."

Col. 4:2,5 TEV

Hymns for 1983: "Lord Speak to Me That I May Speak"
"Because He First Loved Us"

Emphasis: Partnership in Prayer and Ministry

The WMU Council of Buncombe Baptist Association is a group of ladies from the different churches of our association serving in a loving and professional way to help carry on the work of WMU among the 64 churches who are directly involved with missions here in Buncombe County and reaching to the ends of the earth. Due to the consistent and hard work of the ladies, WMU of this association received the Distinguished Award at our State Meeting in Fayetteville in March.

Some of the activities during the past year were the following:

GA Camp at Bear Walla was a tremendous success - 11 professions of faith. We just say, "Praise the Lord." Regional workshop was held at Calvary church with a good number coming out to be trained.

We had two young ladies last July and August who came and stayed in our mission house on Lanvale Avenue. Their names were Jenny Chilton and Sarah Crumpton. They did a good job going from church to church and also in the campgrounds and any place they could be of service.

Grace Jones, Special Projects Chairman, was in charge of meals being taken to UNC-A each Monday for the Baptist Student Union. It was a wonderful and exciting time as each church went to the campus and sat in on a BSU meeting. This is a continuing project and we would like for each church to take a part in this.

Pauline Snelson, Mission Action Director, challenged us again this past year to help buy knee high hose for the women in the N.C. Correctional Institute. It was wonderful to see how Buncombe WMU responded to this with well over 600 pair of hose being sent to Raleigh for the women at Christmas. "God loveth a cheerful giver."

The World Day of Prayer was observed in many of our churches this year in November. There was a good response - 32 churches reported. As usual the district leaders led out in this.

Another highlight of the year was October 1-2 with "One way to 48 hour day and bold commitment." This was a plan for prayer partners praying at different times for 24 hours.

The Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering was a tremendous success in our association.

The associational WMU Council helped in getting people to "DaySpring" at Ridgecrest last October. This was something new sponsored by the Foreign Mission Board, Home Mission Board, and WMU for a national meeting of Christian women from all the U. S. Approximately 2,800 people came.

We are looking forward to another great year as we are all "Laborers Together with God."

Margaret Stamey, Director
Associational WMU

## BROTHERHOOD REPORT

This past year we have seen an increase in involvement in missions with our Baptist Men and RAs. Our men and boys are working in missions here at home as well as in other countries. We have seen new Brotherhood programs started this year and for this we are thankful. We as men and boys have many opportunities to involve ourselves in missions and we see an excitement and a renewed commitment to be involved in missions.

Some of the projects that our men have been involved in this year include: special mission trips, prison ministries, lay witness, participation in Baptist Men's Day in the local churches, remodeling and repairing our associational building and missions house, participation in quarterly leadership meetings and in regional Brotherhood Workshop, Associational Brotherhood breakfast and many other activities. The RAs were also involved in many activities including RA Camp at Camp Bear Walla, RA Track Meet, Match Box Derby Race, RA Week in local churches, and many other projects.

I would like to thank our Brotherhood Council, RA Committee and all leaders in the various Brotherhood programs in our churches for their hard work and commitment this past year. I feel that we as Christians have a responsibility to be ministers. We are told in the Great Commission that we are to share the Gospel with everyone. Let me challenge you to become involved in missions. If your church does not have a Baptist Men's group or RA program, I encourage you to begin one. It will challenge you and your church. We are expecting a great year this coming year. Please pray with us that God will use our men and boys in a special way.

Associational Brotherhood

# MUSIC REPORT

We have had an excellent year of growth and excitement has been high as our music council has brought to our association four national leaders to work with our children and adults. Ken Medema, Ronald Wells, Dick Ham and David Danner have brought meaningful experiences which will remain in our hearts for years to come. When people have visions and dream dreams, God will honor the efforts of his children. This has truly happened to the faithful people who meet each month and have given their energy and heart to the work of the music council for Buncombe Association.

In December '83 the music council presented a Christmas program for the Ministers' Conference at First Baptist. The council held their annual Christmas Celebration at Crossbow Inn in Marion.

In January we had one of the best attended Music Conferences for the Quarterly Meeting. Don Welborn attended the State Approved Workers' Conference at Caraway.

In February we had an excellent planning meeting in final preparation for our major events for 1984.

In March seven of our churches participated in the N.C. State Youth Choir Festival at Winston-Salem. Five of our churches attended the N.C. State Adult Choir Festival. Anna Anderson hosted that festival at Weaverville and Don Welborn directed the festival. Roger Ward directed the Associational Youth Choir for the Associational Youth Revival at Westwood. There were 85 youth who sang in the choir. Over 1,000 children, youth and adults attended the Ken Medema concert at First Baptist in April. Kathy Ratcliffe did an excellent job in working with members of the music council, Hominy Baptist and First Baptist to bring Ken Medema to our association. Several ministers of music attended the N.C. Music Conference at Caraway. Don Welborn served as President for the Music Conference for 1984. Roger and Susan Ward attended the Key Leadership Conference. Don Welborn serves as Regional Director for the N.C. Baptist State Church Music Department. Roger and Susan Ward did an excellent job in bringing Dick Ham to direct the associational Youth Choir Retreat for 1984. Over 300 youth participated with 25 churches and directors in a most successful three day retreat. Roger Ward directed the pre-rehearsal - the choir was well prepared for Dick Ham when they arrived at Pigeon Forge. The Music Council voted to bring David Danner back to lead our youth in the 1985 retreat. The association has commissioned Mr. Danner to write a full youth musical for the Buncombe Baptist Youth Choir Festival '85 and dedicate it to our beloved Director of Missions, John Hicks.

In June Don Welborn attended the Southern Baptist Church Music Conference at Kansas City.

In July Black Mountain First, Biltmore, and Mount Carmel churches attended the State Children's Choir Camp at Mars Hill. Lovey Bigham gave excellent leadership as director of the Children's Choir Camp at Westwood.She brought Ronald Wells and Lori Freytag from First Baptist, Spartanburg. 185 children from 24 churches sang THE STORY OF ANIMALS written by Mr. Wells. Thanks to Barry Hiner for hosting the choir camp at Westwood. Susan Ward and Don Welborn served on the faculty for Youth/Adult Music Week at Caswell.

In August seven ministers of music attended the N.C. State Children's Choir Clinic at Morganton First Baptist.

In September Allen Cantrell and Kathy Ratcliffe did an excellent job in bringing David Danner to directo our Associational Adult Choir Festival. The music council voted to commission David to write an anthem in honor of Mr. Hicks. The anthem, GREAT IS THE LORD, was well received by the choir members at the Adult Choir Workshop and will be performed for the annual meeting. Donald Welborn served on the faculty for Volunteer/Part-Time Choral Workshop for the Church Music Department of the Baptist State Convention.

Anna Anderson will direct a performance of "'Til Millions Know" at the annual meeting with adult choir members from the association. Barry Hiner will direct the drama.

To God Be the Glory.

Donald N. Welborn, Director
Associational Music Council

## RA/GA CAMPS

We had two excellent camps this year joining with the Carolina Association in these. The GA Camp had 76 girls and leaders attending from our association and the RA Camp had 51.

There were 34 conversions and 50+ rededications from both associations and one giving life for Christian ministry.

We just praise the Lord for people like Rev. Steve Harris, Mrs. Edwina Messer, and all who work with them. We have heard good reports from all. A lot of study, work, and play have gone into our camp programs - planning for them six to eight months ahead. If you have a child the age of RAs or GAs encourage them to attend one of these camps!

Martha E. Hicks

## YOUTH COORDINATING COMMITTEE

The Youth Coordinating Committee had a good year - planning and promoting activities for and with the youth of Buncombe Association. A highlight of the year was the Youth Crusade at Westwood church in March. Kelvin Moseley was the guest evangelist. The pre-crusade rally at Biltmore church was also very well attended and enjoyed by all.

Goals for 1984-85 include the expansion of the youth committee to include youth directors and youth ministers for better organization and planning and to develop a functioning and representative youth council.

We look forward to a seminar on Christian growth to be held in February and other activities that will increase the spiritual development of our youth.

Shirley McIntosh, Chairman
Youth Coordinating Committee

## SEMINARY EXTENSION

We have been very fortunate in the Buncombe Baptist Association to be able to sponsor Seminary Extension. We have had some great teachers who have done very well in meeting the task of teaching interested students. Last year because of scheduling we offered classes only in the fall. Usually we offer classes in the fall and spring. These classes are for anyone who has a high school diploma and may be applied toward college credit.

We have been very fortunate to have Miss Sue Fitzgerald teaching for us. Last year she taught the Old Testament Survey Part I. This fall she will be teaching Old Testament Survey Part II at the associational office from 7-9 P.M. for nine Thursdays beginning October 4.

Rev. Gilbert Barnhill has taught at Craggy Prison for several years. Gilbert does a wonderful job. Last year he had 10 prisoners enrolled in a class on the book of John. This year he will be teaching the Life of Christ.

Last fall, Rev. E. S. Morgan taught the book of Job at the Western North Carolina Baptist Home for the Aging. He had 11 enrolled.

This fall we will offer only two classes: Old Testament Survey II will be taught at the associational office and the Life of Christ will be taught at the prison. Be in prayer for both courses. If you know anyone interested in Seminary Extension have them contact Gayle Brown 252-1864. Let us get people excited and involved about Biblical training.

Lawrence Clapp, Chairman
Seminary Extension Committee

## SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY

Southeastern Baptist Theological Seminary has an off-campus satellite center at Fruitland Bible Institute on Mondays. Southeastern's program is independent of Fruitland Bible Institute's program. Since Fruitland does not have Monday classes, they open their facilities to be used by Southeastern. The classes offered at Fruitland through Southeastern can be applied to the Master's degree program or the Doctoral degree program of Southeastern. The instructors of the classes are faculty members of Southeastern who fly into Asheville on Monday, teach classes, and then return to Southeastern to teach the remainder of the week. The classes are for anyone with a college degree desiring theological training. The classes meet for 12 Mondays. Last fall 1983, two classes were taught - New Testament Survey Part I taught by Dr. Malcolm Tolbert and the Problem of Evil taught by Dr. Thomas Graves. In the spring, New Testament Survey Part II was taught by Dr. Tolbert and Evangelism was taught by Dr. Delos Miles. This fall there are two classes offered - Church Music with Dr. Michael Hawn and The Holy Spirit with Dr. Culpepper. So far each semester we have met the minimum required enrollment of 15. We have averaged between 15 and 20 students enrolled. If you, or anyone you know, is interested contact Mr. or Mrs Alex Booth at Fruitland Bible Institute (685-8886).

# CHRISTIAN SOCIAL MINISTRIES REPORT

For the past seven years through the cooperation of the Home Mission Board, North Carolina Baptist State Convention, and the Buncombe Baptist Association, Christian Social Ministries has challenged the churches in our association to minister to many needs in the name of Jesus Christ.

Christian Social Ministries is a ministry that encourages people of the church to participate with the community in the alleviation of needs and to help people discover the abundant life in Christ. One objective of Christian Social Ministries is to help Christians utilize their gifts and talents in the work of the Lord. There are many avenues and ways for Christians to express their faith and love through Christian Social Ministries. Church weekday ministries, mission centers, rescue missions, homes for unwed mothers, homes for the aging, child care institutions and programs, adoption centers, youth and family services, day care, literacy ministries, migrant ministries, disaster relief, rehabilitation work with drug addicts, alcoholics, prisoners, and families of inmates. Cooperation with the WMU's and the Brotherhoods in local Baptist churches promotes the success of these ministries.

During the past year three ministries have been emphasized in our association. Literacy missions, ministry with the families of inmates, and senior adult ministries continue to offer opportunities for service as more people become aware of these needs and other related areas of need.

The Christian Social Ministries Council, under the able leadership of Mrs. Sherri Carreker, has made a significant contribution to the Christian Social Ministries work of our association. Under Mrs. Carreker's leadership the council has moved forward in a steady progressive way directing and evaluating the work of Christian Social Ministries. A word of appreciation is also expressed to each of the nine Christian Social Ministries District representatives for their faithfulness and commitment in their tasks of communicating and relating the philosophy of Christian Social Ministries to the local churches in their respective districts. Representing the nine districts of our association this past year were Dr.Art Stainback, Oteen; Chaplain James Sams, Black Mountain - Swannanoa; Riley Waters, Fairview; Mrs. Claudia Green, North Buncombe; Mrs. Betty Gash, Mount Carmel; Mrs. Mary Eisenhauer, Asheville; Mrs. Sherri Carreker, West Asheville; Mrs. Polly Bryson, Enka-Hominy; and Sam Alexander, Biltmore.

## CSM Highlights During 1983-84

October, 1983 - 96 senior adults took a tour of Blue Ridge Parkway, Craggy Gardens, visited Appalachian State University at Boone, N.C., dinner at Beam's Restaurant at Spruce Pine, and back home. It was a day of fellowship and fun despite the rain!

November, 1983 - Seminary Extension at Craggy Prison was taught by Rev. Gilbert Barnhill. Classes were held on Saturday mornings and 15 inmates completed the course on the Book of John. Chaplain Frank Shirley continues to support this meaningful and worthwhile ministry. A local church WMU provided refreshments for the graduates.

December, 1984 - Ministry to the Families of Inmates had a successful project in December, 1983. Over 500 new toys were collected through association churches (and neighboring areas) plus $300 in cash to purchase new toys to be given to children of inmates for Christmas. Toys were distributed to area prisons through volunteers. Some toys were wrapped by the inmates and given to their children on visitation days.

January 1984 - On Tuesday, January 3, 1984, Dr. Nathan Porter, Consultant with the Home Mission Board, met with several representatives of agencies and help organizations' of Asheville and Buncombe County to dialogue on the topic of HUNGER. Dr. Porter gave an overview of domestic hunger and how communities may meet needs of hungry people.

February, 1984 - Home Mission Study was taught in several churches of the association and adjoining associations.

March, 1984 - A regional senior adult leadership training workshop was held at Calvary Baptist Church, March 20, with 125 senior adults attending. Ted Williams, Baptist State Convention led the workshop.

April, 1984 - The Long Range Planning Committee of the association brought a challenging report regarding Christian Social Ministries. Certain goals and objectives were stated for implementation by association committees and councils.

May, 1984 - "Key" Leadership Conference at Ridgecrest offered for Christian Social Ministers across the state. Many helpful hints, creative ideas, new ministries, come from this annual "key" leadership meeting.

June, 1984 - Resort ministries in the Buncombe County area began for the fifth straight year. Summer missionaries (college students) work in campgrounds, recreation areas, and parks sharing their faith and witness. Several associational churches encouraged their youth to take part in these ministries.

July, 1984 - "Contact" Asheville/Buncombe County, Inc., is a new ministry in our community. This is a 24 hour and seven day a week telephone LISTENING ministry with trained volunteers taking part in the ministry.

August, 1974 - Student Missions Conference at Ridgecrest offered 150 college students a missions project in Buncombe and surrounding counties on Friday, August 17. Many lives were touched as these students gave an afternoon doing mission type projects in various agencies and organizations throughout our county.

September, 1984 - N. C. Baptist Missions Offering across our state will assist in promoting Christian Social Ministries in our association.

Again, I want to thank the Christian Social Ministries Council for their cooperation and leadership with all Christian Social Ministries programs of our association. Special thanks go to Betty Orr, secretary for Buncombe Baptist Association, for her splendid work in getting out CSM announcements, preparing CSM materials, and always being available when called upon. Her encouragement and support has assisted the Christian Social Ministries program in an important way.

During the past seven years Buncombe Baptists have been open and responsive to Christian Social Ministries in a very good way. I am very grateful to pastors, staff ministers, and all lay people for their cooperation and support. It has been thrilling to see Christians and churches "reach out" and touch someone's life in the name of Jesus Christ. It has been rewarding to see Buncombe Baptists work with community agencies and organizations in meeting all types of human needs. God has blessed us and will continue to bless us in a mighty way. May we always be open and obedient to His Spirit as we work together as brothers and sisters in Christ!

## SENIOR ADULTS

Senior adults in the churches of the Buncombe Baptist Association have had a good year. Some senior adult groups visit nursing homes, hospitals, and home bound senior adults. Other groups eat together and take short sight seeing trips. Some churches observe Senior Citizens Sunday in which senior adults conduct the morning worship service. They also make up the choir and serve as ushers. This is usually followed by a senior adult luncheon. The senior adults at Victory church presents a musical called "Saints Alive!" The thirty-five minute presentation can be given at your church. Call the Victory Baptist Church for more information.

On Tuesday, March 20, this past year a regional senior adult leadership training workshop was held at Calvary Baptist Church with 125 senior adults attending the workshop sponsored by the association and the North Carolina Baptist State Convention. Ted Williams, with our Baptist State Convention, did a splendid job in giving an overview of senior adult ministries and sharing as to what senior adult groups are doing across the state.

Two significant events are coming up soon as related to the ministry with senior adults. On Thursday, October 4, a workshop entitled "You and Your Aging Parents" will be held at Calvary Baptist Church. This will be a covered dish supper and is open to anyone who would like to attend. The supper will begin at 6:30 P.M. Ted Williams, with the North Carolina Baptist State Convention, will be back with us to lead us in this conference. This is open to ministers, church staff, senior adult leaders in churches, senior adults in churches, and to leaders who plan to work with senior adults in the future. It is also open to anyone who may have an interest in the topic "You and Your Aging Parents." Another BIG SENIOR ADULT EVENT coming up the last week in November is the "Florida Get Away." A five day trip to Florida, a visit to EPCOT at Disneyworld, and a visit to historic Saint Augustine. Dates for the trip are November 26-November 30. Call the association office for more information. ## BUNCOMBE COUNTY LITERACY VOLUNTEERS

The literacy ministry has continued to grow during 1984. A total of 70 tutors were trained and approximately 60 volunteers are working with students. Sherri Carreker taught three workshops - Oct. 30 -Nov. 5, 1983 at Reed Memorial Baptist Church and March 4-9 and July 19-20 at Calvary Baptist Church. 59 people trained to teach adults to read. At the October-November workshop we also had a class in Conversational English for those wanting to work with the foreign born. Peggy Pinkerton from Hendersonville taught this workshop with 11 people attending.

The volunteers meet quarterly at Calvary church. In January a Volunteer Appreciation Banquet was held. Betty Rhodes of Emma's Grove Baptist Church was presented the literacy "Volunteer of the Year" award. She had five students during the year.

Irma Jean Reedy, President
Buncombe County Literacy Volunteers

## CHRISTIAN SOCIAL MINISTRIES COUNCIL

Fellow Servants:

Another great year has passed for the Christian Social Ministries Council and representatives. Many people have worked hard at serving our community in a Christian way.

The Family Prison Ministries and the Buncombe County Literacy Volunteers have again had a successful year in maintaining their programs and services for others. I urge anyone who might be the least bit interested in these areas to call the Buncombe Baptist Association for more information.

Even though the council may work very hard, we still need the help of every church to spread the word around the community so we can involve as many as possible. I challenge each church to send a representative to our quarterly meetings so they may report back to you the exciting ministry opportunities available in our area.

Many thanks to all our CSM folks and to Gayle for his constant dedication. I wish you a wonderful 1984-85 year in His service.

Sherri Carreker
President

## FAMILY PRISON MINISTRIES

In its first year, the Family Prison Ministry is off to a good start in its outreach to families with a member in prison.

Participants in this ministry have provided help in a variety of ways, including transportation, food and clothing, and hospital visitation.

A most successful project undertaken by our group was providing Christmas toys for the inmates' children in the western region. Tremendous response by our churches and others in the community made this possible. The group has also helped with school supplies and clothing.

Perhaps the most important aspect of this ministry is the feeling conveyed to these families that they have a friend, that someone cares and wants to help.

Nell Masters, Chairperson
Family Prison Ministries

## LONG RANGE PLANNING

The Long Range Planning Committee has completed its second year of work. The purpose of the committee is to aid our association in developing a course of mission action over an ensuing period of some five years. The mission process is implemented as the association defines its purpose, identifies its objectives, and assigns tasks to associational work groups.

During this past year, the committee task forces completed their information-gathering assignments. The entire committee then proposed objectives. Persons who chaired task forces shared a summary of their work, and the committee chairman provided a statement of objectives at the Buncombe Ministers' Conference. These objectives were adopted by the Associational Board at the July Quarterly Leadership Meeting.

Goals associated with the objectives have been assigned to work groups within our associational framework. Preliminary reports are anticipated from these work groups early next year.

The task has just begun. Your continuing prayers are appreciated.

Ronnie Owen, Chairman
Long Range Planning Committee

## NEW WORK

It is difficult to comprehend, with ninety one locations in our county sharing the gospel, that we need additional places to proclaim God and His love. But it is true. There are places in our county that Southern Baptists are not reaching. The New Work Committee has worked this year in pin-pointing some of these areas.

There is one area of the county that we have attempted to establish a mission point for about three years. Finally, this year we were able to have a Vacation Bible School. Through those attending and an interested church in our association, we may be able to start an ongoing mission point.

New work is really just getting started in our association. Won't you and your church help? You can have a part in one of these mission points by becoming involved in one of the following ministries: a Bible study, a new Sunday School, a preaching point, a back-yard Bible study, or a Vacation Bible School. You can be a part of missions right here at home.

**Coy Jeans, Chairman**
**New Work Committee**

## MISSIONS COMMITTEE

The Missions Committee has met during the year as the need has called for it. Perhaps the most significant meeting was when we met to discuss the future of our associational work in regard to the report of the Long Range Planning Committee.

There were two important needs that surfaced out of that report that would demand the attention of the missions committee this coming year and on into the future:

> What can we do to help the elderly - particularly with low cost housing?
>
> Address the need for emergency shelter for displaced families.

We continue to make use of our mission house located just behind our associational office. Our summer student workers who help us with ministries in the summer months find a home away from home. Also it is frequently used by our state Baptist workers who are working with a church in our association and find it necessary to stay over.

On the horizon is the World Missions Conference coming up next October 20-27, 1985. Every church who has participated in a World Missions Conference has been blessed and I need not sell you on the worth of being involved. For you who have never enjoyed such a conference, you are in for a tremendous blessing.

Jackie Collins, Chairman
Missions Committee

## MEMBERSHIP COMMITTEE

The Membership Committee of the Buncombe Baptist Association would like to recommend to the association that the Woodland Hills Baptist Church be accepted under the watchcare of the association with the intent of becoming a member of the association at the next annual meeting in 1985.

The Woodland Hills Baptist Church began as a satellite of the Merrimon Avenue Baptist Church and was organized into a church on October 7, 1984. Rev. Tom Lomax is the first pastor to serve the church.

The Membership Committee is unanimous in this recommendation.

J. Lloyd Wolfe, Chairman
Membership Committee

# EVANGELISM

We are told that only three percent of all the lost people come to ou churches on their own. This means that 97 percent are out there los without help, without hope, without strength. These people will die an go to hell unless we go to where they are and share Jesus with them. I is absolutely imperative that our church people come out of the beautifu buildings into the market place and share with lost humanity the "Goo News" of Jesus.

All Baptists are urged to participate in the "Good News, America, God Love You" revival in March and April 1986. The revival dates for the wester area are April 6-13. Every church is encouraged to plan a revival meetin during these suggested dates. Let us pray daily that every unsaved perso in North Carolina will have the opportunity to hear the gospel of Chris by the end of 1986.

In February, in the midst of a snow storm, the Statewide Evangelism Conference was held in Greensboro. Some twenty-five hundred people attende the meeting. On February 4-5, 1985 the 39th conference will be held i Greensboro with Jo Ann Shelton leading the music and Dr. Bill Tanner, Dr James Plietz, Dr. F. G. Sampson, Dr. John Sullivan, and Dr. John Bisagn bringing the messages.

The Youth Evangelistic Crusades were held in May this year at Chowan College, Winston-Salem, and Asheville with almost four thousand young people in attendance.

Partnership Evangelism: What is it? It is a "Doorway to the World." An invitation from Baptist churches overseas and the Foreign Mission Board to the Southern Baptist Convention to get involved in personal evangelism overseas. A team of two or three lay people led by a pastor and sent out by their church. Some of our churches have already gone - others are making preparations. The invitation is extended to all who will.

Lester Crayton, Chairman
Evangelism Council

## THE BAPTIST STUDENT UNION AT UNC-A

The Baptist Student Union of the University of North Carolina at Asheville begins a new year with the following new officers: President, Mark Davis; Vice President, Cecie Gilliam; Secretary-Treasurer, Beth Anderson; Historian, Mike Norris.

Serving as advisors to the BSU are Kathy Ratcliffe, Randy Barnett, and Eddie Morgan. Serving on the associational committee are Gayle Brown, Martha Hicks, Randy Barnett, Kathy Ratcliffe, Norma Melton (now chairman of the BSU Committee), Ron Brown, Eddie Morgan, and Teresa Styles. Student representatives are Mark Davis and Cecie Gilliam.

The students meet in the Student Union each Monday at 12:00 noon with luncheon furnished by the WMUs of local associational Baptist churches. The average attendance has been 20.

Baptist Student Union work has been progressing and has a very bright future. In fact, a new Baptist Student Union Area Director has been named, effective June 1985. The Rev. Joe David Fore will serve in this capacity with forty to fifty percent of his time spent at University of North Carolina at Asheville. Hopefully, new Baptist Student Union work will begin on campuses of Asheville-Buncombe Technical Institute, Warren Wilson College, Montreat-Anderson College, and Brevard College.

Efforts are underway for a great year in Baptist Student Union work at University of North Carolina-Asheville and we should pray for a successful year.

Ron Brown, Chairman
BSU Committee

## RECREATION

### NORTH CAROLINA BAPTIST MEN WESTERN REGIONAL SOFTBALL TOURNAMENT

The tournament was hosted by Buncombe Baptist Association and played at the Hominy Valley Recreation Park on Friday, August 17 and Saturday, August 18. Fred Fore was the tournament director and was ably assisted by Bruce Emory, Carlyle Franklin, Ricky and Rodney Franklin. Rev. Gayle Brown was there to give the welcome and invocation.

West Asheville represented the Buncombe Baptist league. There was a total of eight teams from the following associations: Sandy Run #1 and #2, Buncombe, Gaston, Kings Mountain, Carolina, Haywood, and Caldwell.

The following teams advanced to the State Baptist Men's Tournament at Statesville on the following Friday and Saturday. The teams will be named in the order of their finish: Bostic of Sandy Run, Bethel of Sandy Run, Calvary of Kings Mountain, and Sunny Point of Haywood.

All of the teams (managers, players, and visitors) were complimentary of the field, the officiating, and the running of the tournament.

We had the State Tournament in 1983 and the Regional in 1984. I feel good ground work has been laid to invite them back.

## BUNCOMBE BAPTIST MINISTERS' CONFERENCE

In the Constitution and By-Laws of the Buncombe Baptist Ministers' Conference it is stated: "The membership of this conference shall be composed of all BAPTIST MINISTERS (pastors, retirees, denominational workers, music, education and youth) of the Buncombe Baptist Association...."

As to the purpose it is stated: "The Buncombe Baptist Ministers' Conference is organized for the purpose of Christian fellowship, sharing, inspiration, and disseminating information pertinent to the Christian life and work of the Gospel ministry."

We need every minister in the association to come and join with us every Monday morning at 10:00 A.M. in the chapel of the First Baptist Church of Asheville for a special time of fellowship and inspirational programs.

The officers for the ministers' conference for the next six months are Ray Riddle - President, Robert Harris - Vice-President, Perry Brindley - Secretary, E. S. Morgan - Song Leader, Ed Barron - Program Chairman, and Martha Hicks - Treasurer. Martha Hicks and Paula Settle will share the duty as pianist.

Stanley Taylor, President
Buncombe Baptist Minsters' Conference

## BUNCOMBE BAPTIST BIVOCATIONAL MINISTERS' CONFERENCE

It gives me great joy to report that the work of our bivocational pastors is being richly blessed.

As it was with the Apostle Paul, who made his livelihood from the craft of tentmaking, so it is with this group of pastors.

We thank God for these men and the churches they serve so faithfully. Our prayer is that the labor of these men will continue to bring forth much fruit in the days that lie ahead.

Our next quarterly meeting will be a fellowship supper meeting in the early part of the month of December. The exact time and place will be announced later. We encourage all bivocational pastors and their wives to make plans now to attend.

Ray Hipps, President
Bivocational Mininsters' Conference

## BAPTIST LAY WITNESSING FOUNDATION

The Lay Witnessing Foundation was begun out of a need for laymen to be available to share their witness in an organized manner through a weekend experience in a local church. The request came from both laymen and pastors. Since 1954, laymen have been giving of their time and money to go and teach people how to share Christian experiences. Year by year, the requests have come. The Baptist Laymen's Witnessing Foundation, Inc. was set up on September 16, 1958 as an official organization. This was done with full understanding and endorsement of the work by the General Board of the N.C. Baptist State Convention. Since it's conception, the Foundation has pledged to work fully with those departments who have a similar responsibility in the Convention. Presently, the director of the Brotherhood Department serves as Executive Director of the Laymen's Witnessing Foundation.

The Baptist Lay Witnessing Foundation has a Board of Directors who serve to keep policy consistent with purpose. The Board of Directors meets regularly throughout the year. Twice a year, all those connected with the Foundation, either as coordinators, team members, or interested persons, meet for an inspirational time to be challenged in their witnessing and to learn of the latest materials related to witnessing. One of the meetings has as part of its purpose to elect Board members. In addition, those who serve as coordinators meet occasionally to share needed improvements. The Foundation is a non-profit organization.

The Baptist Lay Witnessing Foundation is a ministry that is available to every Baptist church. We offer our services to the local church regardless of size. You may contact either David Langford at the Brotherhood Department in Cary, North Carolina, or one of the officers or directors of the Foundation to schedule a meeting. We have twenty-two coordinators in the State of North Carolina who regularly conduct lay witness weekends. We need your prayers and would encourage every church to get involved in a witness outreach program. Reaching people around you for Jesus should be the first order of business.

Many of our local churches have had lay revival meetings. Reports continue to come in about how God has used these lay witness meetings to start an outreach ministry and to share the number of decisions made during the meeting. Ask your neighboring pastor about the BLWF. The three local coordinators are Andy Lawson, Julian Lanning, and Mike Smith.

Mike Smith, Coordinator
Baptist Lay Witnessing Foundation

## TO THE BUNCOMBE BAPTIST ASSOCIATION

In the month of August I started visiting the Associational family of churches. I'm proud to report to you visits to the following churches:

Bee Tree - Rev. Jim Robinson
Morningside - Rev. Ron Kiser
Buena Vista - Rev. Rex Collins
Spring Mountain - Rev. James Lamb
Sand Hill - Rev. Warren Williams
Sunrise - Rev. Milford Boyce
Kerlee - Rev. Charles Duyck
Skyland - Rev. D. K. Brevard
Bethel - Rev. Frank Shirley
Long Shoals - Rev. Coy Jeans
Glady - Rev. Charles Sprinkle
Trinity - Rev. Steve Harris
Buckeye - Rev. N. J. Neely
Berea - Rev. Francis Lunsford
Deaverview - Rev. Fred Fore

Each one of these churches has a special place in my heart. I have learned many useful things from each pastor that I have had the pleasure of meeting and talking with - things that I could never learn in the classroom. For this great experience I would like to take this time to thank the Association for giving me this opportunity.

My observation in each church is that there is a need to have an effective outreach program and not only in these churches, but all over. Outreach is the key to church growth.

I hope the Lord will keep on working in our lives so that we may compel the people around us to worship the Lord in a church near them.

Thank you for your help,

Charles Alan Gore
Fruitland Intern to the Association

## ORDINATION COMMITTEE REPORT

Since our last association meeting, the Ordination Committee has met to examine brothers Jeff Hensley, Newbridge Baptist Church; Perry Brindley, Emma Baptist Church; Tim Lolley, Victory Baptist Church; and Jackson Roberts, Mount Carmel Baptist Church. We found all these men to be sound in doctrine and faith and did hereby recommend their ordination.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Often our mountains are called "The Land of Four Seasons." In relation to Baptist Children's Homes our area is soon to become the land of four residential services for needy boys and girls.

The main service will continue to be the ministry provided by Broyhill Baptist Home at Clyde. This year approximately seventy-five children have been served in this beautiful facility.

The second program of residential care is the Maternity Home in Asheville, More than thirty girls will be served through this redemptive ministry this year.

The third residential service is emergency care at Haywood Cottage on the Broyhill campus and Thermal Belt Baptist Youth Shelter in Forest City. At both facilities a child can come in at a moment's notice and be cared for while things stabilize at home or while a long term placement is being arranged. The stresses of our day has made this ministry one of the most demanding services offered.

A fourth residential service is on the horizon. This will be a ministry for children who have suffered unusual degrees of abuse and neglect making the intensity of life on a campus, with a number of children, difficult. Moody farm minstries in Macon County is being developed especially for these boys and girls.

A campaign is now in progress to raise $500,000 to complete the first stage of construction by October 1985.

In the "Land of Four Seasons" these four residential services are there for needy children because of wondersul Christian friends who have come forward to meet these needs.

As we consider these facilities let us not lose sight of the group of fine Christians who serve on the staff at these facilities.

May we continue our support of these services through our prayers, concerns and monies.

## THE BIBLICAL RECORDER

"Every true Baptist a faithful Recorder reader" is our goal. Never has there been a time when Baptists needed to be as well informed as they do today. There is so much misinformation, exploitation, and manipulation in our time that we need a source that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

We need a forum where differing views can be expressed. The Biblical Recorder does and must serve all Baptists of our fellowship.

For the third consecutive year, subscription rates will not be raised. The new Biblical Recorder building was entered debt-free; the paper will hold the line on subscription rates. We must make it as easy as possible for churches to send the paper to every family.

The very best way to go is for every church to put the "every family plan" in its budget.

### WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education the Baptist college was described as a place for study; a place for growing in spiritual and intellectual maturity; and a place where life continues and futures are shaped.

### AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention celebrates 150 years of involvement and partnership in Christian education. It all began in 1834 when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and gifts of the churches and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts, and your prayers.

## CHRISTIAN ACTION LEAGUE OF N. C. REPORT

rejoice in victories God gave us in the past year and look to Him for ength to meet the challenges of the coming year.

UNIFORM DRINKING AGE OF 21: President Reagan signed into law legislation that results in any state losing federal highway funds if age 21 is not established as the minimum drinking age for all alcoholic beverages. It is now apparent that the 1985 legislature will raise the drinking age to 21...because of the projected loss of from $15 to $30 million in federal highway funds.

This seems to prove that we have had a General Assembly that is more concerned about dollars than the lives of our young people.

STATE LOTTERY: Thanks to your help, the General Assembly - by a narrow margin - defeated legislation that would have put us into the gambling business. However, the pro-gambling industry has targeted North Carolina for another strong effort in 1985.

NOW is the time to get commitments from the candidates for the 1985 General Assembly to oppose such legislation. Use your influence while it counts.

PORNOGRAPHY: North Carolina has become the nation's "smut" capital, with more sex outlets - "x-rated" theaters, "adult" book stores, etc. - per capita than any other state, and only New York and California exceed North Carolina in the availability and distribution of child pornography.

Frankly, our state government has done absolutely nothing to curb the "porno-plague" that has been sweeping the state. However, a few individual communities have been able to close down some "x-rated" theaters on their own.

Contact the Christian Action League, P.O. Box 2126, Raleigh, NC 27602, for help in dealing with the pornography problem in your community.

BEER, WINE, AND LIQUOR ELECTIONS: We assisted several areas in defeating referendums in the past year. The alcohol industry was defeated in campaigns conducted in Nash, Edgecombe, Scotland, and Chatham counties and in the communities of White Lake, Clarkton, and Mocksville. A key victory was in the Avery County town of Elk Park, where beer sales were abolished. This should encourage other areas to do the same.

ABORTION: North Carolina remains the only state in the Southeast to use state tax funds for medically unnecessary abortions, and these state taxes - yours and mine - support abortions as a matter of birth control or convenience. The state of Texas stopped using state tax funds for this and experienced no increase in the rate of complications.

To remove this funding, get a commitment from your candidates to the N.C. General Assembly.

ONCLUSION: As we approach the new year, need we be reminded: ALL THAT S NECESSARY FOR EVIL TO FLOURISH IS FOR GOOD PEOPLE TO DO NOTHING.

# BAPTIST HOSPITAL

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure treating head injuries. (2) Improvements in prenatal care have resulted in a lower infant mortality rate. (3) A new treatment offers relief without surgery for patients with ruptured vertibral discs. (4) New equipment using ultrasound breaks up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral Care provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. More than 20,000 hours of pastoral counseling was provided at centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began on March 15 as new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering. A total of 418 patients received financial assistance on their bills ranging in size from $20 to $21,000.

The trustees, staff, and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

## BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

Through many special individuals, blessings of great significance are coming to the Baptist Retirement Homes. Heading the list of special people are - North Carolina Baptists. From October 1983 - April 1984, North Carolina Baptists gave 26.3% of the Homes total income through the Cooperative Program, North Carolina Missions Offering, and special gifts. This support covered 77% of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984 are running at about $1,000,000. Missions gifts, it appears, will fall short of the need by some $250,000. As you can see, your mission gifts are vital to the benevolent care ministry of the Retirement Homes.

To operate a $3.2 million ministry takes a diverse group of individuals. One special group are the Trustees who have made major decisions in the last several months such as launching a Capital Funds Campaign..."A Call to Remember...", revised admission policies, and secured consulting services to review the total operations of the Homes. Gifts to the "A Call to Remember..." Campaign are going to be used to renovate and update the Hayes Home facility. Members of the Trustees are comprising a Search Committee to locate a successor upon the retirement of the Director in October 1985.

The Homes' 33 year heritage has been marked by the deepest concern and the most genuine Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

## ANNUITY BOARD REPORT

The churches' response to upgrading the pastors and staff members retirement is encouraging. But there are many left out, some with no protection except Social Security and very little life insurance.

Did you know that life insurance, disability insurance, and retirement is wrapped in the basic premium of our annuity program - not enough to make one rich, but enough to keep him or her from starving.

Check with your finance committee and see if your pastor and staff workers are protected.

In the Buncombe Baptist Association there are 58 churches participating in the Southern Baptist Convention annuity plan including 106 pastors and staff.

## BAPTIST FOUNDATION

It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes he could continue our witness forever. We know that we should plan for such continuing witness. And now each of us can participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine (usually $1,000), then the income earned is distributed to the Baptist cause which you have predetermined. The income will be paid every year, after year, after year.

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

Rapidly increasing, and very evident in the past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staff person will be assigned this responsibility.

The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

## ACTS REPORT

Momentum continues to build nationwide as ACTS becomes available on more and more cable systems. Only in its sixteenth week of programming, ACTS is available on 107 cable systems, 3 low power T.V. stations serving 300 communities with 1.5 million households having access. Beginning September 16, ACTS programming is broadcast twenty-four hours per day. Between September 16 and October 1, ACTS will simultaneously broadcast off Westar V and Spacenet I satellites. After October 1, ACTS will be seen exclusively on Spacenet I. Locally we are continuing efforts to make ACTS available over Asheville Cable, Cent-Com, and Sammons. We still have some technicalities to work through before we get on the air.

At present we have sixteen churches who either are members of our ACTS steering committee or have indicated a strong interest in such. Progress to this point has been slow. I am confident that in the next year we will be on all three cable systems. Please pray for ACTS and your ACTS steering committee as we bring good, quality Christian programming to Buncombe County.

# AMERICAN BIBLE SOCIETY

In reporting to you on the progress of the Bible cause during 1983, the officers and staff of the American Bible Society are deeply conscious of the indispensable part played by the people of God known as the Southern Baptist Convention whose faithfulness in prayer and support enabled the printed Word of God to reach more lands and languages than ever before. We express our deep appreciation to all who were involved in promoting this vital ministry of Scripture translation, publication and distribution throughout the world.

Reports are now in from over 180 locations worldwide where the Bible Societies are at work and we praise God for the encouraging advances being made on almost all fronts. More than 700 translation projects were underway on all continents last year designed to make the Good News more widely known and understood. For many of these, it is the first time any portion of Scripture has been translated into the language of the people. In addition, through the close cooperation of churches and missions worldwide, many of them Southern Baptist churches, more than 497 million copies of Scripture - from whole Bibles to single Selections - found their way into the hearts and homes of men and women in nearly every country on earth. None of this would have been possible without the prayerful support of your people both as individuals and as congregations.

Bible Sunday will be November 18th this year and the theme is Journey of Hope. There are so many who still wait for the "Hope" found only in Jesus Christ. Please be faithful in your support to the American Bible Society.

# THE COOPERATIVE PROGRAM

North Carolina's new general secretary-treasurer, Roy J. Smith defines the Cooperative Program "as a voluntary system of responding cooperatively to the Great Commission of Jesus Christ. The Cooperative Program allows each participating Baptist church member to share in the total missions effort of the Baptist State Convention and the Southern Baptist Convention."

On the cover of the September 15 issue of the Biblical Recorder is a picture of Doug Knapp, a Southern Baptist agricultural missionary to Tanzania. Doug personally baptized 4,000 persons last year. I had a part in that because I gave through the Cooperative Progam in my church.

I regularly listen to the radio station WMIT. In a 24 hour period 30 different religious organizations present their programs each week day. Almost all ask for funding. Think of the money that is spent in administrative purposes. Through the Cooperative Program gifts of my church I can share in the support of more than 6,000 home and foreign missionaries plus support hospitals, children's homes, homes for the elderly, schools, seminaries, publishing houses, radio and TV programs, relief for the hungry and much more.

Dr. Cecil A. Ray wrote, "suppose a church decided to send a check each month directly to every approved Baptist ministry and missionary. It would involve at least 7,000 checks a month and just the postage stamps would cost $1,400 per month or $16,800 per year. If all 35,000 Southern Baptist churches did this it would amount to $242,000,000 - over 80% of all the missions dollars now being given would have to be spent on stamps.

May every church in the Buncombe Association increase its support of Cooperative Program ministries through a greater commitment in prayer and giving.

The former Committee on Missions, now called the Associational Missions Council, is responsible for developing and implementing the missions strategy of the association. The missions strategy or program is one part of the overall work of the association and is, therefore, one of the most important units of organization in the association.
The association has 10 identifiable tasks, grouped into three categories:

   1. Fellowship Task
      (1) Nurture harmony in faith and practice.
      (2) Nurture fellowship among churches, church leaders, and members.

   2. Missions Performance Tasks
      (1) Call the churches to be on mission.

Duties of each associational program are drawn from their responsibilities for particular tasks. Programs do not have responsibilities for every task in the association. Administrative tasks reside primarily with the associational council, though each program is responsible for it's planning and resource management. Given the total perspective of associational tasks, duties of the Associational Missions Development Council are summarized as: awareness, planning, correlation, and implementation.

Composition of the Associational Missions Development Council is as follows: Chairman, WMU Director, WMU Personal Witnessing and Mission Action Director, Brotherhood Director, Sunday School Director, Church Training Director, Music Director, Library/Media Director. 9. The congregation sang the hymn "God of Grace and God of Glory".

10. The associational choir presented the Musical Drama "'Til Millions Know" written by Mark Blankenship and directed by Mrs. Anna Anderson Minister of Music, Weaverville church. This was a very touching, moving experience as we listened to the beautiful music and saw the drama of this musical.

There was an overall increase in the budget by 7.7. 14. The Moderator recognized the chairman of the Resolution Committee, Ellen Johnson. Five resolutions were presented by members of the committee. Brother Bill Horton presented the first three - RESOLUTION NO. 1: Raising N.C. Drinking Age to 21. It reads: WHEREAS, the Presidential Commission on Drunk Driving, the National Safety Council, the National Transportation Safety Board, the American Medical Association and other national organizations have endorsed raising the legal drinking age to 21 for all alcoholic beverages; and WHEREAS, North Carolina is one of the few states remaining with a two-tier drinking age: one for liquor (21) and another for beer/wine (19); and WHEREAS, there is the same amount of alcohol in a 5-ounce glass of wine or a 12-ounce can of beer as in a "shot" of whiskey; and WHEREAS, reliable statistics from other states indicate that raising the drinking age to 21 would save over twenty-five lives in North Carolina each year, with a corresponding decrease in personal injuries and property damage; therefore, BE IT RESOLVED, that the BUNCOMBE BAPTIST ASSOCIATION, duly assembled, express its strong desire and support for raising the drinking age in North Carolina to 21 and urge all members of the legislative delegation from Buncombe County to work to that end; and BE IT FURTHER RESOLVED, that this resolution be sent to the newly elected Governor and to each of those elected to represent Buncombe County in the state legislature beginning January 1, 1985. Brother Horton moved the adoption of this resolution and the motion passed. RESOLUTION NO. 2: Stronger Obscenity and Pornography Laws. It reads: WHEREAS, the unabated traffic in obscenity and pornography is a national disgrace and is the prime contributor to all forms of sexual depravity and sexual abuses - especially the deplorable exploitation of children for immoral purposes; and WHEREAS, because of known loopholes in our state criminal obscenity statutes, North Carolina has more pornography outlets - "adult" book stores, "X-rated" theaters, etc. - per capita than any other state; and WHEREAS, North Carolina is now third in the nation - behind California and New York - in the availability and distribution of child pornography; and WHEREAS, North Carolina's weak obscenity statutes have encouraged and resulted in highly active organized crime participation in the traffic of pornography and its related social ills within our state; and WHEREAS, communities like Atlanta, Cincinnati, Jacksonville, and Orlando have recently been successful in closing down "adult" book stores and "X-rated" theaters; therefore

BE IT RESOLVED, that the BUNCOMBE BAPTIST ASSOCIATION, duly assembled, express its strong desire and support for legislation that will remove the known loopholes - such as the misconceived adversary hearing - from our criminal obscenity statutes and will allow positive effective prosecution and convictions for the illegal and harmful traffic in obscenity and pornography; and BE IT FURTHER RESOLVED, that this resolution be sent to the newly elected Governor and to each of those elected to represent Buncombe County in the state legislature beginning January 1, 1985. Brother Horton moved the adoption of this resolution and the motion passed. RESOLUTION NO. 3: Opposition to abortion. Brother Horton spoke to this resolution. It reads: WHEREAS, God is the Creator and Giver of life and has ordained the natural process thereof; and WHEREAS, the Holy Scriptures proclaim - and scientific evidence demonstrate - that the life of every human being begins with conception; and WHEREAS, it is a fundamental principle of both God's Law and the Constitution of the United States to recongnize and affirm the intrinsic value of all human life and that every human being has unquestioned right to life; and WHEREAS, current judicial opinion permits the widespread practice of abortion on demand as a birth control measure, which has led to the current level of killing - by painful, cruel measures - almost thirty-two thousand pre-born, live human beings per year in North Carolina; and WHEREAS, North Carolina is the only Southern state using tax revenues to support this cruel and violent taking of innocent, unborn human lives; therefore BE IT RESOLVED, that the BUNCOMBE BAPTIST ASSOCIATION, duly assembled, affirms that all human life, both born and pre-born, is sacred, bearing the image of God, and is not subject to such personal judgments as degree of dependency, intelligence level, cost of medical treatment or inconvenience to parents; and BE IT FURTHER RESOLVED, that we abhor the use of tax monies or tax supported facilities for the practice of medically unnecessary abortions and/or the practice of withholding treatment from unwanted or defective newly born infants, and that we strongly support legislation which will prohibit abortions except to save the life of the mother or in case of proven criminal acts of rape or incest; and BE IT FURTHER RESOLVED, that this resolution be sent to the newly elected Governor and to each of those elected to represent Buncombe County in the state legislature beginning January 1, 1985. Brother Horton spoke further on this resolution. Also there was more discussion on this report by Brother Gilbert Barnhill. The vote was taken and the motion passed. RESOLUTION NO. 4: Value of Women. This resolution was presented by Paula Settle. It reads: WHEREAS, We the messengers to the Annual Meeting of the Buncombe Baptist Association, meeting October 15-16, 1984, recognize the authority of Scripture in all matters of faith and practice; and WHEREAS, All persons are of equal worth in the eyes of God, and the Scriptures affirm that we are all one in Christ (Galatians 3:28); and WHEREAS, Women have equal responsibility in servanthood and discipleship, and historically have made valuable contributions to all phases of Baptist life; and WHEREAS, In Baptist tradition ordination is a local church decision and no group can exercise binding authority over any local church; and WHEREAS, A number of women are currently serving as ordained deacons in some churches of the Buncombe Baptist Association, and other churches have voted to permit the election of women as deacons, BE IT THEREFORE RESOLVED, that we affirm the value of women in the sight of God and the autonomy of the local church in matters concerning ordination of deacons and pastors. The resolution committee chose not to recommend the adoption of this resolution but chose to let the body decide. The chair recognized Dr. Steve Carreker and Dr. Carreker moved the adoption of this resolution. There was a second and then discussion. There was much discussion concerning this resolution. Several motions were made but were declared out of order or were withdrawn. Dr. James Johnson moved that we object to the consideration of the question and the motion passed. RESOLUTION NO. 5: Resolution of appreciation. It reads: BE IT RESOLVED: That we acknowledge the faithful and effective service of our Director of Missions, John Grason Hicks, who has resigned from his position of leadership after twelve years of service and that we express to him our deep and abiding appreciation for his ministry among us; That we express our appreciation to all who have contributed to the informative and inspiring Annual Meeting this year: our Associational Staff; the Moderator, Johnnie Tiller; the host churches, Weaverville and Buena Vista Baptist Churches; our State Convention representative, Roy Smith; our messenger of the Word, Groce Robinson; to the Associational Adult Choir for their presentation of 'Til Millions Know, under the direction of Anna Anderson; and to Ron Boswell, Foreign Mission Board Representative; That we covenant to pray for our Selection Committee who will be seeking out our next Director of Missions, that this Committee may know the leadership of the Holy Spirit in this matter which is so important to every church in our Association; That we covenant to pray for the present Associational leadership that they will continue to "carry out their tasks" during this interim period as they have been so ably doing; That we acknowledge the fact of the presence and work of the Holy Spirit in our churches this past year as He has wrought many wondrous things in our midst and that we covenant to pray for an even stronger outpouring of God's Spirit upon us in this coming year that even greater accomplishments will take place in His churches, through His people, for His Kingdom's sake; That we praise God for His marvelous works and pledge ourselves as individuals, as churches, and as an Association of churches, to seek His will and do it under the leadership and in the power of His Holy Spirit. After the reading of this resolution the congregation sang the doxology. Mrs. Johnson then moved the adoption of this resolution and the motion passed.

15. Mrs. Marvin Garrett gave a very forceful report on the Cooperative Program. (See printed report)

16. The Agency reports were given as printed. They were Christian Higher Education, Baptist Children's Homes, Baptist Homes, Baptist Foundation, Annuity Board, Biblical Recorder, American Bible Society, Christian Action League, and Baptist Hospital. Speaker for the agencies was Brother Tom Lolley, Area Missionary from Baptist State Convention.

17. The congregation sang the hymn "I Love to Tell the Story" led by Don Welborn.

18. Miscellaneous business was as follows:

1. Ken Ridings made a motion to give instruction to the resolution committee to avoid resolutions when they have the tendency to divide us and infringe upon the autonomy of the local church. Motion was seconded - discussion followed, and the vote was taken and the motion did not pass.

2. The pastor of the host church gave instructions for the noon meal.

19. A very meaningful Memorial Service was given by Rev. E. V. Plemmons remembering the 300 of our number that had passed to their eternal reward. He read from Revelation 12:11 (NIV) "They overcame him by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death" and his report was as follows:

Since our last meeting three hundred have gone from our fellowship to their eternal home. Out of this number thirty were deacons and seven were ordained ministers (2 of these were missionaries). Their lives, as they have followed Christ, are like a beautiful afterglow at the setting of the sun. Their influence continues to remind us of the joys of serving and the victory of dying in Him.

20. Before the annual sermon the Scripture from Matthew 16 was given by Brother Rex Collins and a solo, "His Name is Jesus" was given by Brother Dan Snyder, Minister of Music at Swannanoa First church. Afterwards, Brother Groce Robinson, pastor of Swannanoa First, brought a powerful message taken from the Sermon on the Mount. At the close of the message, Mrs. Elaine Gregg, Minister of Music at Grace church, sang very beautifully "Upon this Rock."

21. The benediction and prayer of thanksgiving was given by Brother Ed Barron, pastor of the Edgewood church.

22. Lunch was served by the host church.

There were 382 registered messengers and others from 63 churches.

*LETTER FROM JOHN G. HICKS TO THE BUNCOMBE BAPTIST ASSOCIATION:
(See #5 - first day proceedings)

Dear fellow Baptists - my dear friends:

I regret that my health will not permit me to be with you tonight, but I trust that it will not be long before I can be with you again.

I look back with a lot of gratitude to twelve of the happiest years of my life. Martha and I both cherish the wonderful years together working with Buncombe Baptists. We feel that the loving spirit and the rich feeling of fellowship have truly helped to make possible the accomplishments that have been made both within the individual churches and in the Associational wide endeavors. We sincerely trust that the progress of these twelve years will continue to pave the way for the years to come just as the years before this ministry truly paved the way for what has been done.

In closing let me take this opportunity to thank you again from the depths of our hearts for the many, many prayers during all of this period of illness, the wonderful love offering and other gifts, the hundreds of cards, the many visits, and all other expressions of love and concern and for the cooperation we have had in the work on every front. Truly these have blessed our hearts and have been a source of rich blessing both in the past, in the present, and for the future. May the Lord bless you richly and keep you is my daily prayer.

Sincerely,

John G. Hicks

WORLD MISSIONS
CONFERENCE

*October 20-27, 1985*

**What's a WMC???**

It's a World Missions Conference with missionary speakers, mission study and mission involvement ideas.

A WORLD MISSIONS CONFERENCE IS AN ADVENTURE IN MISSIONARY EDUCATION DESIGNED TO IDENTIFY A CHURCH WITH THE WORLD MISSION PROGRAM OF SOUTHERN BAPTISTS.

CHURCHES ARE CHALLENGED TO SEE THEMSELVES AS PARTNERS WITH ALL SOUTHERN BAPTIST CHURCHES AS THEY PROVIDE EVERY PERSON THE OPPORTUNITY TO HEAR AND RESPOND TO THE GOSPEL BY THE CLOSE OF THE CENTURY.

If you're a Southern Baptist you're a partner in our worldwide mission enterprise. Come celebrate that partnership at the World Missions Conference.

## *Martha E. Hicks*

The 1985 edition of the Buncombe Baptist Association annual is dedicated to Martha Eller Hicks. Mrs. Hicks, Director of Church Development and Financial Secretary for the association, retired December 31, 1985 after thirteen years of ministry and service.

Martha is a native of Salisbury, North Carolina. She graduated from Boyden High School (now Salisbury High) and went on to graduate from Mars Hill College. She continued her education at Southern Seminary in Louisville, Kentucky where she received a Religious Education Degree from Woman's Missionary Training School. It was while she was in Louisville that she met and later married John Grason Hicks. Martha pursued her studies in music at Catawba College and the School of Music at Southern Seminary.

Martha and John served the Lord together for over forty years. Their ministry carried them from Kentucky to North Carolina where they served both in the piedmont and the mountains. Martha had an outstanding ministry at Old Fort working with education and music, while her husband served as pastor of First Baptist Church. God called the Hicks to Mon-Aetna Baptist Church in Union, South Carolina where the church experienced tremendous growth in church programs largely due to the leadership of Martha Hicks. Two strong churches resulted from missions which began with Vacation Bible Schools sponsored by Mon-Aetna. When the Hicks came to Asheville they served the Westwood Baptist Church before coming to the Buncombe Baptist Association.

Martha's leadership strengthened church programs of our association during the years 1972-1985. She has also served as Financial Secretary keeping financial records of the association.

On Sunday afternoon, November 24, 1985, a reception was held at West Asheville Baptist Church in honor of Martha Hicks. It was a beautiful afternoon as Martha, along with her family, greeted friends who wished to express their appreciation for her life and ministry. Moderator Jackie Collins presented Martha a check for $2,350.28. Additional love offerings have come in which brings the total to $2,421.53.

At the annual meeting of the association on October 15, 1985, a tribute was given and a plaque presented by Rev. E. V. Plemmons and his wife, Doris. In addition, a full-page picture and article by Cathy McJunkin appeared in the "Focus on Religion" section of the Asheville Citizen-Times, Friday, November 8, 1985.

Buncombe Baptists are thankful for the ministry of Martha Hicks who served the Lord and Baptists in a very fine way during the years 1972-1985.

# DIRECTOR OF MISSIONS REPORT

Since the last annual meeting in October, 1984, much has happened in a through the Buncombe Baptist Association. Our former Director of Missions Rev. John G. Hicks, passed away January 13, 1985 after an extended illness His service at Calvary Baptist Church on Wednesday, January 16, 1985 wa one of praise and honor to God which characterized John's life of commitment and service.

In November, 1984, Asheville and Buncombe Baptists were hosts to the Nort Carolina Baptist State Convention attended by 3,500 plus messengers. W elected a new General-Secretary in the person of Dr. Roy Smith. Severa committees worked for many months in preparation for the convention. I was truly a fine example of cooperation and planning together as Buncomb Baptists joined hearts and hands to host the state's largest religiou body.

The annual Ministers and Wives Christmas banquet was held at the Inn o the Plaza on Tuesday, December 4. It was well attended and ministers retiring in 1984 were recognized.

Our associational quarterly leadership meetings continue to equip and train our leaders in the local churches. Good speakers continue to challenge and inform our leaders about who we are and why we are on mission. In addition, meetings like the "Key" Leadership Conference at Ridgecrest each May keep before us the facts and figures of associational work and challenges us to keep going and moving forward in the Lord's work.

Buncombe Baptists are to be commended for their fine leadership. We are proud of every associational church program leader. Martha Hicks has been leading the Sunday School work since LaCount Anderson moved away. Elizabeth Myers is in her twenty-fourth year as associational Church Training Director. Roger Ward is a very capable leader who does a fine job with the associational music ministry. Pauline Snelson as WMU Director has done a wonderful job this year keeping the work of WMU before the churches. Wayne Higgins, as Brotherhood Director, continues to promote Brotherhood work in all the churches. There are literally hundreds more who are giving of their time and efforts in the Lord's work. We appreciate each and every one.

Nineteen and eighty-five will be known as a year of transition for Buncombe Baptists. With the coming of a new Director of Missions in January, 1985, change and transition have begun in several areas of associational work. Some meetings are being deleted, consolidation of committee work, personnel policies revamped, and restructure of associational personnel positions are in the making. A new format for the associational newsletter will help bring about better communication and begin to help us focus on some primary goals. Associational "town hall" meetings will give pastors, church staff, and lay people an opportunity to voice "their opinion" as to how the associational can benefit and help their church. Associational "prayer meetings" are held the first Saturday of each month, 8:00 A.M. at the associational office for the purpose of coming together to share one another's burdens and concerns, to strengthen and support one another in ministry, and to pray for individuals, churches, and our beloved association.

The Long Range Planning Committee will be getting back together after the World Misisons Conference and annual meeting. The committee will begin to evaluate where we are as an association, assist sub-committees in their findings and recommendations, and develop some short range and long range plans for the future. This is a large committee and we have had input from many folk across the association. We are grateful to every person who has served and who will agree to serve in the future months. There is great potential ahead for Buncombe Baptists as we plan and work together in the planning process.

In a few days our association will host a World Missions Conference. Thirty missionaries who serve on the foreign, home, and state fields of service will be with us to share what God is doing in and through their lives. They will help us explore the world of missions. They will help us to see more clearly what God is doing through the Cooperative Program and churches working together. Please join me in prayer that God will call out servants for foreign, home, and state missions service and ministry. We must not forget that each of us can be a missionary right where God has placed us to live, work, and play.

In the spring of 1986 Southern Baptists will be holding revivals all across the nation. It is called "Good News America - God Loves You" and all fifty states are participating along with thirty-seven Baptist Conventions. The meetings are scheduled for April 6-13 in our part of the state. Our associational planning committee has set a goal of 50 participating churches in the "Good News America" campaign. Let us begin now to pray for churches, pastors, evangelists, and music directors as revival comes to our land.

As we begin a new calendar year in just a few months, we also begin with new associational staff. Carolyn Johnson was elected as our new Church and Community Ministries Director (formerly Christian Social Ministries Director). Carolyn is quite capable and prepared to lead and work with our churches in discovering needs, equipping leaders, and developing and implementing ministry. She is an appointed Home Missionary and is serving with the Department of Church and Community Ministries of the Home Mission Board. We welcome Carolyn to the Buncombe Baptist Association and look forward to working with her.

We also have a new part time financial secretary. Mrs. Nancy Owen was elected as part time financial secretary for the association at the Executive Committee meeting on August 26. She began her duties on September 16 and works three hours each day, five days each week. Nancy, former secretary/receptionist for the association, brings knowledge of the association, skills, and financial expertise regarding financial matters concerning the association. We are delighted to have Nancy back with the association. She is a great addition to the associational staff.

As we move forward in the months and years ahead let us continue to develop the "loving, caring" spirit that permeates the Buncombe Baptist Association Through our contacts and relationships let us pray and support one another in missions and ministry. You are always welcome to come by the associational office to visit, get information, or utilize the programs and services the association has to offer. Last, but not least, the associational staff appreciates your prayer and regular financial support. We want to serve you in any way we can.

May God bless you as we serve together.

## CHURCH DEVELOPMENT REPORT

This has been a good year in teaching/training in the various programs of the association. We have had district areas of leadership training in both Sunday School and Church Training and for the first time we have had a Central Training School in all programs - Sunday School, Church Training, WMU, and Brotherhood with good interest and attendance in each. The Sunday School Council has reached out in many churches doing a better job in outreach, evangelism, potential leader training, and teaching. We have had many, many conferences as well as clinics/workshops in these areas. There is a new zeal in the churches to reach people, more than we have had in a long time. Then along with reaching/teaching the Bible there is the need to disciple and that is where Church Training steps in. There is a great deal of renewed interest in doing a better job of training in our churches. We have seen the results of not having Church Training for many years in many of the churches and we now realize anew the importance of this phase of our church life. Missions interest also has increased during this past year especially in Brotherhood and RA work and this is good. WMU continues to do a great job of keeping before us the task of missions and the importance of missionary education. Music continues to lead with three main projects and leading in all of our work when music is involved. Vacation Bible Schools this year had a good record with the clinics and pastor/director workshops well attended. Read each Program Directors report for details in their work.

WMU continues to serve lunch each Monday to all BSU students. This has been a very rewarding project for the last three years. This year WMU also sponsored a very lovely tea for Paula Settle who was appointed by the Foreign Mission Board to go to Togo.

Our Youth Council and Coordinating Committee has had some good youth events for the youth in our churches and area - the last one being at Ben Lippen Pavilion with Mark McMasters and the Cornerstones.

This year we had two outstanding camps - GA and RA. Be sure to read their reports and see the number of boys and girls who received the Lord Jesus this summer. For the last several years we have seen an increase in Church Training work in our association. This year we have seen an in increase in Sunday School

We are so grateful for the many volunteer people who serve on our program councils and who stand ready to help wherever needed. We are very fortunate in Buncombe to have these qualified, dedicated leaders who serve on our program councils. And it is a joy to see a program in a church going forward after we have worked with the leaders in beginning and strengthening the church programs and youth work in the churches.

I will especially enjoy the last several months of my service doing just Church Development as we now have another staff person to do finance and I am very grateful for this. If I can assist you in any way please do not hesitate to call on me or any of our program people. It has been a joy to sit with many, many leaders this year and discuss the work in their churches helping them to plan and think through the future needs of their particular church. I am also grateful for our pastors who have so much responsibility - for their spirit and insight as we have worked together.

May we continue to go forward in all areas of our work - going on to greater heights - building on what we have already done and on to greater opportunities. May God bless each of you as you work in His Kingdom service.

Martha E. Hicks, Director
Church Development

# SUNDAY SCHOOL REPORT

Our Sunday School Council has been very active this year. We had three District Workshops in Sunday School leadership. These were in the Swannanoa district, the Enka-Candler district, and the Oteen district. We hope to get into three or four more districts during the next year.

We also had a very good response this year in Vacation Bible School led by Mrs. Norma Melton. The Pastors and VBS Directors Workshop was held in February with good attendance and the two VBS Clinics were held in April with good attendance and response in both of these.

Our Assist Team members along with myself have been in quite a few individual churches leading out in outreach/evangelism, teaching/reaching, and other needs the churches had such as how to set up a prospect file, a Sunday School master file, and potential teacher training. Many churches have started potential teacher/training classes with good results. There is a new zeal among our Sunday School leadership in the churches to reach more people in Bible study and to do better Bible teaching. This is good!

The saying we have heard through the years "as goes the Sunday School, so goes the church" and as we look at our Sunday School work that is so true. Sunday School is the reaching/evangelism arm of the church. Let us continue good work during this next year and on and on.

Martha E. Hicks
Acting Sunday School Director

# CHURCH TRAINING

The theme for 1984-85 was "Bringing Together Evangelism and Missions."

Our associational year began in July with members attending the Church Training Leadership conference at Ridgecrest. The council met each quarter for planning.

In August we had a leadership seminar for the North Buncombe District at Flat Creek Church. Leaders from three churches in the district attended.

In October we had an association-wide leadership seminar. At this seminar we were privileged to have with us Maurice Cooper and Jim Simpson from the Church Training Department of our Baptist State Convention. Leaders from 15 churches attended.

Our "M" Night meeting was in November at Victory Church. Members from thirty-two churches heard Jim Simpson bring a very challenging message to us. Attendance banners were awarded Victory and Riverside. Achievement banners and plaques were awarded to Riverside and Calvary.

Five people attended the leadership training for associational leaders January 11 and 12 at Caraway. This training was provided for us by our State Convention.

April 2 we had leadership training for the Mount Carmel District at the Mount Carmel Church. Leaders from five churches in the district attended.

May was Bible Drill month. Participants in the Children's Bible Drill are as follows: Heather Burton, Rankin Muse, Ricky Rice, and Chris Williams from Biltmore; Heidi Holloway, John Kinsland, Lori McIntosh, Melissa Miller, and Heather Smith from New Morgan Hill; Stephanie Creasman, Bethany Gosnell, and Douglas Penley from Riverside. Stephanie and Douglas were three-year state winners. This year we had a FIRST for Buncombe Association in the Youth Bible Drill. Cameron Gosnell and Dwayne Rogers from Riverside represented Buncombe in the area drill at Hickory where they qualified to participate in the state drill at Asheboro and there they were declared state winners. Congratulations to each participant and thanks to the leaders and parents who worked so faithfully with them. Please encourage more children and youth to join them next year.

I represented Church Training at the Key Leadership Conference at Ridgecrest in May. I attended a Growth Strategy Planning Meeting at Fruitland June 25-26.

In addition to the various training sessions, activities, etc., many phone calls and visits to the churches have been made by members of our council. I am grateful for everything that has been done and pray that 1985-86 will be the best Church Training year ever.

Associational Church Training

# WOMAN'S MISSIONARY UNION REPORT

WMU Emphasis 1984-85: "By Love Compelled."
Watchword: "My children, our love should not be just words and talk, it must be true love, which shows itself in action." I John 3:18

This year North Carolina WMU has emphasized the coming of our centennial year 1985-86. On January 8, 1986 North Carolina WMU will be 100 years old.

The theme for 1984-86 (two years) is "Come Grow With Us." Efforts are being made to increase WMU enrollment 25% for each year for 4 years 1984-1988. Another emphasis during this year has been to encourage each church to have a prayer retreat.

The WMU has had an exciting year. God has led in many ways as He has worked through many people to accomplish His work. Much of this is due to an active and dedicated associational council.

This associational year started with Leadership Training for associational officers at Fruitland, July 28, 1984. Nine of the ten council members who were eligible to attend were there.

The associational WMU Leadership Conference to train church leaders was held at First Baptist Church, Asheville. 27 churches were represented with a total of 112 in attendance.

A Foreign Mission Study Institute was held on October 22. The age level Directors trained the teachers to teach in their respective churches.

Quarterly meetings have been held each quarter to plan and evaluate the work of WMU in the association - September 29, 1984 with 16 present, January 12, 1985 with 9 present, March 23, 1985 with 14 present, June 22, 1985 with 16 present, September 21, 1985 with 18 present. All council members have studied and received credit on the associational WMU Manual.

Goals have been set for the 1985-1986 year. They are to have a net gain of 5 organizations and 200 net gain of WMU members in churches.

The World Day of Prayer on November 5, 1984 was observed in each of the nine districts. The district leaders did some good planning and promoting. 39 churches participated with 345 women attending. The offering taken for Women's Work of the Baptist World Alliance was $313.25.

On November 3 three women from Buncombe Association attended the Mission Support Lab in Hickory. This was sponsored by the state WMU.

The Christmas project for Women of State Prison in Raleigh was to send postage stamps for 300 women. The women of Buncombe generously gave 3,150 stamps. This was over our goal.

The Foreign Mission Teleconference on December 1, 1984 at Calvary Church was publicized by WMU district leaders. This was to launch Foreign Misison Week of Prayer.

The associational Quarterly Meeting on January 27, 1985 was given to training for Home Mission Study on all levels. The associational goal was $90,000. Theme was "Who Cares?"

The State WMU Meeting in Winston-Salem was a hightlight in March. Buncombe had 71 people attending the 94th session of WMU on March 15-16 with 19 churches represented. Thanks to Sally Hutchison for arranging transportation and housing for most of these.

On April 22, 1985 the Annual Meeting of Buncombe Association WMU launched the Centennial year with a historical presentation including costumes of different years during N.C. 100 year history. It was well presented with Mrs. Barnes, Centennial Chairman, directing. This meeting was held in the beautiful sanctuary of West Asheville church. Others on the program were: Mrs. Dot Allred, first Vice-President of N.C. WMU bringing greetings from N.C. WMU; Miss Laura Frances Snow, missionary to Chile, spoke of Baptist work in Chile; Mrs. Mary-Ellen Garrett led the devotional and prayer time each session.

Many churches received Achievement Awards for work done. More than 100 women were recognized as being members of WMU for 50 years or more. Mr. Robert Barnes prepared lovely certificates of recognition for these women. This meeting was well attended by 227 people representing 40 churches. An offering of $166.70 was taken to help with GA Camp at Bear Walla. A scholarship of $125.00 was presented to Alan Gore, student at Fruitland. On May 14-16 it was my privilege as WMU Director to attend the Key Leadership meeting at Ridgecrest. Also on May 24-25 I attended an associational prayer retreat at Camp Bear Walla. This was sponsored by women of Carolina Association with Miss Carolyn Weatherford, guest speaker.

A Fellowship Supper for Mission Friends Directors and leaders from the churches was held at Black Mountain First church on May 17. Jeanette Cloud, Mission Friends Director for the association WMU, taught the book, "To Listen, To Love."

Edwina Messer, GA Director for the association, had a talent show(mission emphasis) at Beverly Hills church May 17. Six churches were represented with 65 girls attending. Swannanoa GA's won first place and West Asheville GA's second place.

Edwina also reports a good GA Camp at Bear Walla July 22-26, 1985. There were 120 girls attending. 70 of these were from Buncombe Association. she reported 14 conversions and 30 rededications.

Miriam Dillingham planned and promoted a "Come As You Are" fellowship for Acteen Directors and leaders from the churches. This was at Skyland church. Miriam is making plans for an Acteens Council during 1985-86.

A tea and reception was held on Sunday, July 28 at the Baptist Building for Paula Settle who has been appointed as Foreign Missionary to Togo.

One of the very meaningful things WMU has done this year, as in previous years, was to feed the BSU students at UNC-A. This is done to make it possible to hold their meetings each Monday noon while they lunch together. Mrs. Grace Jones coordinates this with women from different churches.

The associational Leadership Conference was held at West Asheville church September 23, 1985 with 147 in attendance from 33 churches.

This has been a busy year. Thanks to pastors of our association who encourage and support mission work through our WMU organizations.

Please call on us if you have need of help in organizing new WMU work or strengthening those you have.

Every church needs WMU work.

When we know we care - Mission Study.
When we care we pray - Week of Prayer.
When we pray we give - Mission Offering.

Pauline Snelson, Director
Associational WMU

# BROTHERHOOD REPORT

Baptist Men and RA's have been very active in our association this year. There has been an increased excitement about missions and also involvement in missions. Some of the projects and activities which our Baptist Men have been involved in this past year include: foreign mission trips, home mission trips, disaster relief missions, prison ministries, various local mission projects, quarterly leadership conferences, and participation in Baptist Men's Day in the local churches. Several of our men attended and participated in the annual Baptist Men's State Convention which was held in Asheville in November. We had two associational leadership workshops and a regional Brotherhood meeting during the year. Also, some of our men attended the Key Leadership Conference held at Ridgegest in May. There were also some new Baptist Men groups started in our local churches this year.

Rev. Steve Harris, chairman of the RA Committee, and his committee did an excellent job planning and conducting activities for the RA's. Activities that RA's were involved in included associational and state Track Meets, observance of RA Week in the local churches, match box derby car competition and many other projects and activities. The highlight of the year was the RA Camp in August at Bear Walla. There were over 120 boys and counselors that attended the one week camp with twenty-eight decisions for Christ. We had two associational leadership workshops and several counselors and members of the Ra Committee have attended various training meetings at Calvary and Ridgecrest. In the coming year the activities for the boys will be expanded to include new programs and activities.

I would like to take this opportunity to thank the Brotherhood Council, RA Committee, and all the leaders in the churches for their committment to Christ and His work and for their involvement in the Brotherhood program in our association. Also, I want to encourage and challenge all of us to be more involved in and committed to missions. We are looking forward to a great year next year.

# MUSIC REPORT

Since the beginning of time, Music has played a vital part in celebrating life experiences from the victories of battle and the various feasts to the mourning of the dead. Musis was in fact: of the people, by the people, and for the people. Your Buncombe Baptist Associational Music Council strives to help provide just these kind of experiences for the people of our association. This year has been very busy doing just that.

Beginning last October at our Annual Meeting, 40 members of over 10 choirs presented the musical drama, "'Til Millions Know" under the direction of Mrs. Anna Anderson. Presented in full Biblical costume, this was indeed a highlight of our year.

November held many new experiences for some of our Ministers of Music. Several provided music for the State Baptist Men's Convention held at Asheville First. The Singing Churchmen and Women provided music for the State Convention here in Asheville. The Singing Women is a new organization began just this year composed of Fulltime Female Ministers of Music and Wives of Singing Churchmen. 5 women from our association participated. Also in November we provided a program of Thanksgiving music for the Senior Adult Group from the Hominy Baptist Church.

December, of course, saw all members busy with preparations for their own Christmas activities in their churches. However, 14 took time to provide our annual Christmas Program for our Ministers' Conference.

January and February saw lots of snow, cold weather, and preparation for the busy time in our Music Council - Spring and Summer.

March is the month for our State Youth Choir/Instrumental Festival, held each year in Winston-Salem. Several churches from our area participated in this event, joining 1100 other young people from all across our state, under the direction of Mrs. Sherry Kelly from Belmont College in Nashville. This event is an excellent opportunity to provide a rich musical experience for your young people.

April 2 began rehearsals for what has become one of the major events in our Association - Associational Youth Choir Retreat. An average of 200 youth rehearsed for 7 consecutive weeks in preparation for the retreat itself. This year was particularly exciting. In April of 1983, our Associational Music Council commissioned David Danner to compose a musical in honor of John Hicks. the result brought joy and comfort to all of us. We are very proud of this work entitled, "Praise!" The youth immediately loved the work and on Sunday afternoon, May 19, a beautiful worship service under the direction of David Danner himself, was experienced by over 1,000 at West Asheville Baptist Church. Over 300 youth participated in the Retreat this year.

As always, June is spent with most of us busy in VBS work as well as in preparation for our Annual Children's Choir Camp held in July. Lovey Bigham along with her committee again directed a very successful Camp this year. Held July 15-18 at Merrimon Avenue Baptist Church, we saw 170 children, grades 1-6, work each day with Guest Director Don Norris, First Church, Waynesville, in preparation of the musical, "Go Tell It, the Message is Love". Portions of this will be heard during Monday evening's session of this year's Annual Meeting.

August 12 saw over 70 Ministers of Music from Western North Carolina join at Biltmore Baptist Church for a reading clinic, under the direction of Mr. Charles Gatwood, State Music Secretary. August was also busy in preparation for the Adult Choir Festival coming in September.

Many thanks to Don Welborn and his committee for a very successful Adult Choir Festival held September 6-8. It was our privilege to have Mr. Gatwood as our Guest Clinician. A banquet was held in his honor on Saturday night. A beautiful worship service of music, with handbells, brass, and over 50 choir members from 15 churches was held on Sunday afternoon at West Asheville Baptist Church.

As you can see, you Associational Music Council is a very active, vital part of your association. Our one prayer is that if your church is not active in these many musical opportunities provided for your music program, this will be the year you will commit your church to becoming active. We look forward to seeing your choir members and directors this year.

To Our Lord, Only Our Best,

Roger Ward, Director
Associational Music Council

## RA CAMP

The RA Camp sponsored by the Buncombe Baptist Association was a great success. We had 54 boys registered and 7 older pioneers who served as counselors-in-training. The camp was an experience of learning as we studied advancement and missions.

The camp was also an experience of fun and fellowship as we enjoyed hiking, swimming, field sports, crafts, games, and shaving cream fights.

There was a presence of the Holy Spirit continually with a climax at the Thursday evening service. The tears of joy, the 24 decisions for Christ, and many rededications are a memorable experience for both the counselors and the RAs.

Steve Harris
Associational RA Director

## GA CAMP

One of the highlights in my experiences as assocational Ga Director is serving as Resident Camp Director in the summer. This past year we had GA Camp at Camp Bear Walla. Buncombe and Carolina Associations worked together in camp.

The camp was rewarding for both girls and counselors. About 105 girls attended the camp with 12 counselors and CIT's. Steve Harris, pastor of Trinity Baptist, was our camp pastor. He also led Bible study every morning. Mrs. John McGee, retired missionary to Africa, Gayle Brown, and Rev. Jenkins, director of the camp were our missionaries. I led the girls in a GA study every day.

After lunch the girls participated in activities such as swimming, volleyball, rafting, softball, archery and badminton. After supper the girls participated in vespers.

The primary reason for having camp is the spiritual development of the girls. Eleven girls accepted Christ as their Saviour, and over 30 girls made a rededication to Christ. I feel that all of the girls had a positive and worthwhile experience. The counselors deserve a great deal of credit for giving of their time and of themselves in such a selfless way.

Edwina Messer, Director
Associational GA

## YOUTH COORDINATING COMMITTEE REPORT

The Youth Coordinating Committee of the Buncombe Baptist Association has tried to continue providing quality events for the youth of the association during this year. Major events of the year were: The Battle of the Churches, a competitive recreational event held at Biltmore Baptist Church in February, a program by Witness, s student evangelism team from the Baptist State Convention held at Calvary Baptist Church in August, and a Youth Rally at the Ben Lippen Pavilion in September featuring Mark McMasters and Cornerstone. All of these events were well attended.

The Youth Coordinating Committee has been joined this year by the associational Youth Council and Ministers of Youth in our attempt to plan for the social, recreational and spiritual needs of the youth of Buncombe Baptist Association.

Planning is underway for a Youth Missions Rally at the Biltmore church on October 26. Information on activities for 1986 will be forthcoming. I urge your participation.

## July 11, 1986

For the past eight years Buncombe Baptist Association has implemented a program of Christian Social Ministries. Through the cooperation of the Home Mission Board of the Southern Baptist Convention, North Carolina Baptist State Convention, and Buncombe Baptist Association many lives have been touched and many needs have been met through the years. Many of the Christian Social Ministries programs have been promoted and implemented on an associational level. The goal and objective is now to move and work in and through the local church. Working with WMU's and Brotherhoods there are so many people who want to use their gifts and talents for the Lord. Christian Social Ministries provides an excellent channel and means for sharing their faith and DOING the Word!

The Home Mission Board of the Southern Baptist Convention is moving away from the title of Christian Social Ministries. The work and ministry is now known as the department of Church and Community Ministries. This is a much more acceptable title and most states and associations are using this title for ministry. In our own association we will be taking action through a Constitution change from the title Director of Christian Social Ministries to the title Director of Church and Community Ministries.

Church and Community Ministries encourage people in the church to reach out and minister to people in the community. Through ministry people can come to know Jesus as personal Lord and Saviour and discover the abundant life in Jesus Christ. There are many avenues and ways for Christians to express their faith in Jesus and to love and minister to people of all ages and socio-economic levels. Church weekday ministries, mission centers, rescue missions, homes for unwed mothers, homes for the aging, child care institutions, adoption centers, youth and family services, day care, literacy missions, migrant ministries, disaster relief, rehabilitation work with drug addicts, alcoholics, prisoners, families of inmates, resort ministries, and interfaith awareness are just a few of the ways Christians may get involved in Church and Community Ministries through their local church.

During the past year three ministries have been emphasized in our association. Literacy missions, ministry with families of inmates, and senior adult ministries have offered opportunities of ministry and service. Working through an able Christian Social Ministries Council made up of nine district leaders, Mrs. Mary Eisenhauer has provided significant and strong leadership during the past year. Mary has brought committment, dedication, knowledge, and purpose to the Christian Social Ministries Council during her tenure as president. Assisting Mary have been district leaders Betty Gash, Mount Carmel; Polly Bryson, Enka-Hominy; J. Louis Parrish, Swannanoa; Sally Duyck, Oteen; Riley Waters, Fairview; Claudia Green, North Buncombe; and Sam Alexander, Biltmore. Deep appreciation is extended to all these who have given much commitment and time to the CSM work of the association.

On Monday morning, August 26, 1985, the Executive Committee of the Buncombe Baptist Association unanimously elected Carolyn Ann Johnson as the new Church and Community Ministries Director for the association. Carolyn, a graduate of Lander College in South Carolina, and Southern Baptist Theological Seminary in Louisville, Kentucky has considerable experience working in the local church. She knows Southern Baptist work and is familiar with all mission organizations of the local Baptist church. She was WMU president at the Deer Park Baptist Church in Louisville, Kentucky. Carolyn will come to Buncombe as an approved and appointed Home Missionary serving with the Department of Church and Community Ministries. Hopefully, Carolyn will begin with Buncombe Baptists by mid October or the first of November 1985.

## CSM HIGHLIGHTS FOR 1984-85

October 1984 - Sunday, October 14, Annual Crop Walk for Hunger. Many volunteers from several associational churches took part in this annual event to raise funds to help feed the hungry at the local, national, and worldwide efforts.

November 1984 - Senior Adult Trip to EPCOT, DISNEY WORLD, Orlando, Florida. Forty-nine senior adults from associational churches had a tremendous time visiting this educational and informational tourist attraction.

December 1984 - Family Prison Ministries provided new toys for children of inmates at Craggy, Hendersonville, Burnsville, and Hazelwood prison units.

January 1985 - Home Mission Study Preparation, Calvary Baptist Church. Buncombe County Literacy Volunteers Banquet, honoring volunteers who taught literacy missions for the past year.

February 1985 - Corrections Conference, Camp Caraway, Asheboro, N.C.

March 1985 - Week of Prayer for Home Missions and Annie Armstrong Easter Offering in the churches.

April 1985 - Pastoring Older Americans Seminar, Calvary Baptist Church

May 1985 - "Key" Leadership Training, CSM Conference, Ridgecrest

June 1985 - Summer Mission Students arrive for resort ministries and Backyard Bible Clubs

July 1985 - Summer Mission Students minister at Juvenile Evaluation Center, Swannanoa, N.C.

August 1985 - Interfaith Awareness Conference, Arden First Baptist Church

September 1985 - North Carolina Missions Offering assist Christian Social Ministries work across the state.

We now come to a new chapter with the work of CSM. For the past eight years we have been doing Christian Social Ministries on an association wide basis. Now we move to the local church. Through church mission organizations, namely WMU and Brotherhood, we will seek to identify community needs and equip and train people to meet those needs.

This new approach also brings a new title and new person to this position. The Home Mission Board now has the Department of Church and Community Ministries. In the Buncombe Association we are suggesting the change from Director of CSM to Director of Church and Community Ministries.

The CSM Search Committee brought to us a very capable and fine young lady - Carolyn Ann Johnson. Carolyn will begin her work in Buncombe by mid October or November 1. I am confident you will make Carolyn welcome as she begins her work with pastors, church staff, and lay people across this great association. Let us pray that God will continue to bless through Church and Community Ministries.

Gayle D. Brown

## FAMILY PRISON MINISTRIES

Family Prison Ministries seeks to meet both the spiritual and physical needs of inmates and their families. The wives need help and support during the time their husbands are incarcerated. The children are deprived of having both parents at home. When discharged, the inmate needs help making the transition from prison back to his family and society.

The most significant addition to Family Prison Ministries this year was child care service to mothers visiting inmates at the Craggy Correctional Center. This service is provided at Craggy each Sunday and includes games, entertainment and Bible study.

The project of providing Christmas toys for the children of inmates nearly doubled last Christmas. Approximately 200 children received toys compared to approximately 125 children the previous year. We expect another increase this year.

In addition to these two major projects, Family Prison Ministries is involved in providing personal counseling, transportation for families of inmates, referrals to other agencies, Bible studies, and school supplies for children of inmates.

Our greatest need at the present is for more volunteers. Anyone who feels led to work in this ministry is welcome to join. Meetings are held on the third Thursday of each month at 7:00 P.M. in the Buncombe Baptist Association Building, 2 Sulphur Springs Road.

Sam Alexander, President
Family Prison Ministries

## CSM REPORT

The past year has been fruitful in the work of the Christian Social Ministries Committee. This committee has met faithfully each 3rd Thursday to evaluate our work and make definite plans that will reach all the churches.

The plan is to have a representative from each of our 92 churches through whom we can reach all of our people. Some of our churches are faithful in choosing a representative but others have not. Our challenge for next year is that each church have a person who has a heart for ministry so that this effort can be fulfilled in every church.

Our literacy program has been very successful. Much has been accomplished in the family prison ministry, a special program for senior citizens, a ministry for the deaf, special work for singles and other emphasis to provide for people's special needs.

Rev. Gayle Brown has been chosen to succeed Rev. John Hicks as Director of Missions, so we are happy to announce that Carolyn Ann Johnson will be filling this position.

May the next year be fruitful in His Kingdom as we minister through this committee to people's needs.

Mary Eisenhauer, Chairman
CSM Committee

## SENIOR ADULTS

As of 1980, 14.2% of all western North Carolinians were 65 or older. This group is getting larger every day. They are looking better and acting younger all the time! They want to get involved in all sorts of activities. Many of this group are retirees from other states. They will be looking for a new church home. What a challenge to our churches.

On November 26-30, 1984, a group of enthusiastic Senior Adults participated in the "FLORIDA GET AWAY." The trip included a visit to Epcot, DisneyWorld and Saint Augustine, Florida.

In April 1985, Ted Williams, who is with the North Carolina Baptist State Convention, held a seminar on "Pastoring Older Americans."

Mars Hill College has been awarded a grant from the Kate B. Reynolds Health Care Trust to provide training and consultation for the next two years to agencies dealing with the aged. Forty workshops will be scheduled during that time frame dealing with a variety of topics to meet training needs in western North Carolina. For more information concerning this program (or the Gerontology Certification Program at Mars Hill College) call Juliana Cooper-Goldenberg at 704-689-1331. The first meeting was held at First Baptist Church in Asheville, September 24. The next meeting is scheduled for October 29 in Asheville and is entitled "The Family in Later Life."

Senior Adult Ministry

## SEMINARY EXTENSION

Seminary Extension brings ministry education close to home for all of us in the Buncombe Association. During 1984-85, a total of 16 persons enrolled in a course offered through the Craggy Prison Seminary Extension Center.

The Center offered one course, "The Life of Jesus", taught by Rev. Gilbert Barnhill.

One of the center's faithful students said, "This course has made me love my Lord even more."

Buncombe Baptist Association is among 300 Baptist associations working with the Seminary Extension Department of the Southern Baptist seminaries to co-sponsor local ministry training centers for its people. The SED is part of the Seminary External Education Division housed in the Southern Baptist Convention Building in Nashville, Tennessee. In addition to the network of centers, the SED also offers most of its courses through correspondence.

# LITERACY MISSIONS

How wonderful to see the Lord at work in those involved in the literacy ministry. Many of our tutors are hard at work helping non-readers to function better in their daily lives through learning to read. What a blessing when someone can open God's word and read for himself.

The volunteers are meeting quarterly at West Asheville Baptist Church.

The annual Volunteer Appreciation Banquet was held at Calvary Baptist Church. Peggy Pinkerton, who works with the foreign born in the Hendersonville area, was our guest speaker. Ruch Appeldorn from Black Mountain First was chosen Volunteer of the Year. She has given many hours, working with her Cambodian and Indian students.

Three people from our association were able to attend the tutor trainer workshop at Samford University in Alabama in June. Jannette Dillard from West Asheville Baptist and Ruth Appeldorn trained to teach Conversational English. I took the adult reading workshop.

We have two workshops scheduled for the week of November 10 at West Asheville Baptist. I'll be teaching adult reading and Jannette will teach conversational english. Mrs. Appeldorn will be holding a workshop in the Black Mountain area later.

We are grateful for the support of our WMU groups and the association as we all work together, "So he may run who reads." (Hab. 2:3)

## ASSOCIATIONAL MISSIONS DEVELOPMENT COUNCIL

### (Missions Committee)

The Associational Missions Development Council (formerly associational missions committee) meets each quarter for evaluation and planning. This Council, composed of program directors and other leaders of the association, keeps updated on present and future mission plans for the total associational missions work.

Right on us is the World Missions Conference with 52 of our associational churches participating in this missions education and involvement endeavor. A total of thirty foreign, home, and state missionaries will be sharing the "good news" during the week of October 20-27. Let's pray that God will use these days for His glory and honor.

People continue to move into Buncombe County. The Associational Missions Development Council is trying to keep a "pulse" on population trends, pockets where new work may begin, and always encouraging more established churches to "keep on keeping on."

The 1980 census tells us there are at least 1,000 Spanish speaking people living in Asheville and Buncombe County. With the assistance of the Language Missions Department of the North Carolina Baptist State Convention, a survey is to be made in the area to see what the possibilities are for starting a Bible Study for spanish speaking people.

We continue to use the associational missions house almost around the year. During the summer months the house is reserved for our summer mission students, and at other times of the year the house is used by state, associational and church related activities.

Let us begin to pray for "Good News America! God Loves You!" campaigns coming in 1986. April 6-13, 1986 are the dates for the simultaneous meetings in our part of the state. Let us pray that God will use these days in a mighty way.

One of the greatest challenges before us is to bring ACTS television to every cable subscriber in Asheville and Buncombe County. At present we are on Asheville Cablevision. Plans are underway to get on Cencom Cablevision in the Enka-Candler area. Hopefully, we will be on Sammons Cablevision in the Black Mountain area in the not too distant future. Please make this a prayer object.

Thank you for all that you are doing as we do MISSIONS together.

David Coleman, Chairman
Associational Missions Development
Council

## FRUITLAND INTERN REPORT

During the past year I had the privilege of being in many of our associational churches. Even though there are ninety-three churches represented we still have a great deal of people who are without a church for some reason. This is true in every community. All churches and people have a mission in the community to reach out to these people.

We, as Baptists, must not become LAZY about letting someone in our community know about Jesus Christ and what He can do for them.

One thing I have learned at Fruitland is that there is room for every church and person to grow no matter how old or new. But if we do not work together we may fail. Ephesians 5, verse 1, tells us to be imitators of God, to follow Him and His example. We must be willing to work in order to grow.

I'm convinced that people and churches need to set goals and work together in the spirit of the Lord to try and achieve what God wants us to achieve.

I'm encouraged each week by churches in Buncombe Baptist Association to keep on working for a better education and I thank each one of you for your support.

I hope and pray that the Lord will continue to work in each of our lives and in each church as well as He did this past year. I'm sure that He will if we will let Him.

In Christian Love,

Charles Alan Gore
Fruitland Intern to the Association

The conference is open to all Southern Baptist ministers including: Pastors, Associate Pastors, Ministers of Youth, Music, Education, retirees, denominational workers, etc. We meet in the chapel of the First Baptist Church, Asheville and welcome all ministers to attend. ## BUNCOMBE BAPTIST BIVOCATIONAL MINISTERS

pproximately one-third of the churches in Buncombe Baptist Association re served by bivocational pastors. This is a unique ministry in itself. e are grateful for the opportunity of serving these churches. We look orward to even greater things in the future. We encourage each pastor o remain faithful to Christ and His church.

am happy to share some of the highlights of meetings of the bivocational astors in the past year.

. On May 7th we had a great meeting at Mars Hill, sponsored by the Baptist State Convention under the direction of Tom Lolley, area missionary. This was a joint meeting of the Buncombe and French Broad bivocational pastors. It was an appreciation supper and approximately 75 attended. The speaker was Dale Holloway, national consultant for Bivocational Ministry. He lifted us with his words of encouragement and instructions concerning the work, the advantages, and the opportunities for bivocational pastors. We are grateful to Gayle Brown, Dale Fisher and Tom Lolley for coordinating this meeting.

. We were blessed greatly to be able to meet at Woodland Hills church in June for a covered dish supper and a mini-seminar with Thurman and Mary Allred of the Sunday School Board. The pastors met with Thurman and the pastors' wives met with Mary. We are grateful to them for their words of instruction. Thurman put the icing on the cake by presenting a skit he uses so effectively. The fellowship was so very good and the food delicious. We want to thank the pastor and and the church for the use of their facility.

. On July 5 we met at Lake Julian for our regularly scheduled fellowship meeting. This was a covered dish supper for the entire families, a time of fellowship and a good program given by the members of the Summer Mission team of the association. The team shared words of personal testimony, reports on their involvement in Vacation Bible Schools in the association and also presented some entertainment.

od is at work in our midst. We covet your prayers as we continue to serve od and His church in the future.

Ray Hipps, President
Buncombe Baptist Bivocational
Ministers' Conference

## EVANGELISM REPORT

Dr. A. T. Pierson once said, "There has never been a spiritual awakening in any country or locality that did not begin in united prayer."

This spring pastors and laypersons were engaged in a Prayer for Spiritual Awakening Seminar led by Dr. Vic Cole. This was in preparation for "Good News America, God Loves You" simultaneous revivals throughout the Southern Baptist Convention.

It is hoped that through this gigantic evangelistic effort, the thrust of which was commissioned by Christ in the New Testament, that Southern Baptists will discover millions of lost people and share with them the love of Jesus. The revival dates for the western district is April 6 - 13, 1986. Every church is encouraged to plan a revival during this time.

The Youth Evangelistic Crusade was held in July at Greensboro with thousands of young people in attendance.

In February the state-wide Evangelism Conference was held at War Memorial Auditorium, Greensboro with Jo Ann Shelton leading the music along with many inspirational speakers.

"If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land." 2 Chronicles 7:14

Let's pray for revival in our churches and spiritual awakening in our nation.

Lester Crayton
Evangelism Chairman

# ACTS REPORT

ACTS is alive and growing in Buncombe County. At the present time we are on the cable at Asheville Cablevision and are negotiating with Cencom and pray that we will soon be going into the homes on this system. With God's help we pray we will soon be on all three Cable systems in Buncombe County.

Our Buncombe County ACTS Board meets every other month, usually the last Monday in the month, and we invite any churches not presently active in ACTS to come and join us.

I believe God has some exciting ministries in store for us through the use of the ACTS Network in our country and in Buncombe County. We have already overcome many roadblocks and we need the prayers and support of all of you as we continue to make progress.

I would like to take this opportunity to thank all the churches that participated in ACTS Day for your prayers and financial support. Continue to pray that God's Holy Spirit will guide us as we seek his direction as to the future of ACTS in Buncombe County.

Carter Pounders, President
ACTS Board of Buncombe County

# LONG RANGE PLANNING COMMITTEE REPORT

This committee has been charged with the responsibility of assessing current ministries of Buncombe Baptist Association in view of projected changes over the next five years. The current year has been one in which the committee encouraged various councils and committees to proceed with implementing previously adopted objectives.

Some goals are being met, and others are within sight. Our thanks go to all who are a part of the process of moving ahead with associational growth.

Today is yesterday's future. What we have become as God's people is due in large measure to the dreams and planning of those who went before us.

Please pray for your Long Range Planning Committee as they work with you in pursuit of spiritual advance in Buncombe Association.

Ronnie Owen, Chairman
Long Range Planning Committee

## RECREATION COMMITTEE

The Recreation Committee has served the past year with its primary responsibility being the Buncombe Baptist Softball League. This year we were blessed to have 37 teams participate. There were 14 women's teams along with 23 men's teams representing 22 churches (17 Baptist).

The season started May 13 and ended with the tournament finals on August 2 (women) and August 5 (men). During this time we were able to fellowship with other Christians and also give a witness for Christ. We were able to build friendships which will last long after the scores are forgotten. Our deepest appreciation goes out to the people who provided us with the facilities in which to play as well as to the coaches who helped to make this year one in which Christian attitudes and ideals were observed.

As the new year approaches, we are expanding our work as a committee in the areas of volleyball and basketball, as well as future activities designed to involve the whole association family. We desire that through recreation souls can be won to Jesus and that our lives can be further strengthened, both physically and spiritually.

Ronnie Gentry, Chairman
Recreation Committee

## CHURCH EXTENSION COMMITTEE

The Church Extension Committee, once called the New Work Committee, coordinates studies and surveys to determine where in our association there are groups of people not being reached by Baptist work. I know that it is difficult for you to realize that there are people not reached by a Southern Baptist work. This is because of barriers, some are natural, like mountains. rivers, super highways, etc.; some are language, like ethnic groups found in our country that do not understand our English language very well. Believe me, we do have people in our own county that can be reached with the gospel of Jesus Christ and I want to encourage you and your church to get involved in reaching them. Your church could sponsor a new mission point or make a contribution to new work efforts in our association.

I want to share with you new work in two areas. First, our research indicates that there are sufficient numbers of Hispanic people in our county to start a mission work with them. Second, we have established a new mission on Highway Number 9, between Black Mountain and Bat Cave which we are calling Clear Branch Chapel. Brother W. L. Heatherly has been leading this new work. We need your help in both these projects. Become a helping hand in reaching people for Christ right here in our association.

Church Extension Committee

## REGION 9 BROTHERHOOD

Giant strides are being made in Baptist Brotherhood all across North Carolina. Region 9 is becoming more and more involved in this action thanks in part to the Buncombe Baptist Association, our Brotherhood Director, Wayne Higgins, and Director of Missions, Gayle Brown.

So many good things are happening in Region 9 that it would be impossible to tell you about them all in the space we have here. We have able people leading all of the 13 areas of mission except four and we hope to fill these soon. Those serving as Regional Coordinators who are from Buncombe County are Don Taylor - Combatting Moral Problems; Sam Alexander - Correctional Ministries; Jerry Vehaun - Disaster Relief; Mike Smith and Julian Lanning - Lay Revival.

Thanks to all of you for your support and let's make 1986 an even better year for Jesus Christ in Buncombe County, Region 9, North Carolina, the United States, and the world.

A good goal, and I believe a realistic goal, in Buncombe County for 1986 would be a Brotherhood in fifty of the 92 churches in the association.

Fred Sealey, Region 9 Director
Baptist Brotherhood

## AMERICAN BIBLE SOCIETY

The American Bible Society reached a major milestone in 1984, distributing its four billionth copy of Scripture, and the Southern Baptist Convention has had a vital role in this achievement. It is with the deepest gratitude for your faithful support that American Bible Society submits its report to you this year.

In 1984 Southern Baptists gave $309,610.00 to the Bible cause. The largest portion of these gifts came from individual local churches. Translated into practical terms, these contributions meant that God's Word could be placed in the hands of thousands of men, women and children throughout the world.

The American Bible Society gives thanks to you for your support and for your prayers, and looks forward to increased ties of fellowship. Our pledge to you is to work increasingly in partnership with you to fulfill the great commission of our Lord and Savior, Jesus Christ.

These simple words express a fourteen-year-old Ugandan girl's heartfelt desire for Scripture...."I want to have a Bible very much because everytime I see someone reading the Word of God I feel very poor because I don't have a copy. But as soon as I get a Bible I will even teach my friends to read the Word of God. I've tried as hard as I could to get a Bible, but everywhere I went I found they had none left. I love the Word of God very much."

It's hard to imagine trying to find the Word in our area and not succeeding. We have Bibles in abundance. May God help us when we fail to share His Word with others here at home and finances to send His Word abroad.

1986 through 1988 have been designated as Years of Youth Advance, and American Bible Society will be focusing on the distribution of God's Word to children and youth. Excitement is building as we think about the evangelistic and Christian growth opportunities which this emphasis will provide for the churches and for the next generation.

Call on me anytime I can be of service to you with your Bible needs.

Mrs. Johnnie Tiller, Representative
American Bible Society

# BAPTIST CHILDREN'S HOME REPORT

he mission of Baptist Children's Homes of North Carolina, Inc. is to are for dependent, neglected and homeless children; emotionally disturbed hildren; unwed mothers and their children; and the rendering of related ervices to their relatives. The broad purpose of the Instituion embraces ervices directed toward the preservation, conservation, and rehabilitation f families to avoid, whenever possible, the placement of the child away rom home.

his is the 100th year of this agency service to these causes. During he centennial year they have served 1,517 children and 1,167 families.

o celebrate the 100th year the Governor proclaimed May 19, 1985 as "Bap- ist Children's Home Day." Dr. Alan Keith-Lucas wrote a book entitled A Hundred Years of Caring", an updated history of the homes. In coopera- ion with the Convention's Communication Department a new video "100 Years f Caring" was released in February. Phil Young of Henderson wrote a musi- al "Praise Book" about children and families. This musical was performed n eleven churches throughout the state. The book and video were under- ritten by the Broyhill Foundation. During May, June and July a 1,400 ile relay marathon was conducted as a celebration with people thoughout he state participating.

n Charlotte at the State Baptist Convention on November 12, 1985 the hildren will be bringing special music.

n the western area the Forest City and Broyhill Emergency Care Homes re operating at capacity levels as well as the Maternity Home in Asheville.

uring this year the Moody Farm Ministries in Macon County will open it's oors to troubled children and youth.

e as North Carolina Baptists can be proud of the services and the fine taff that this agency provides. We need to give them our continued support ith our prayers and monies.

Glenn Stroud, Representative
Baptist Children's Homes

# ANNUITY PROGRAM REPORT

There are good things happening in the Annuity program. Beginning in 1988 the State Convention will add $200.00 per year to your annuity. That will mean many dollars over the years for you, especially for the young members.

My greatest concern is that there are so many pastors and staff members that are not in the program. Almost one third of pastors (33%) are not in the annuity program in our association. For $400.00 per year, $33.34 per month, you can protect your pastor and family in death, disability, and retirement. So what are you waiting for?

If I can help you, please call me anytime - 667-3747.

Lawrence Fox, Representative
Annuity /Retirement

## BAPTIST FOUNDATION REPORT

During the past fiscal year (1984) 81 new trusts were established, with the North Carolina Baptist Foundation to serve as trustee. These gifts totaled $265,029.34. Additions and contributions to new and existing trusts totaled $741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totaled $10, 930,279. Real estate holdings have an estimated value of $4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totaled $471,563 during 1984.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now calls for maximum return with some internal growth. Throughout the 65 year history of the Baptist Foundation, its Directors have taken seriously their responsibilities as related to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P.O. Box 1107, Cary, North Carolina 27511-1107, or your associational representative listed in the Association Annual.

E.V. Plemmons, Representative
North Carolina Baptist Foundation

The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. ## CHRISTIAN ACTION LEAGUE REPORT

o call 1985 a banner year for the Christian Action League would be an nderstatement. Here's what has occurred:

. LEGISLATION:

A. Obscenity: The General Assembly enacted into law a new obscenity bill that is the culmination of 10 years of persistent effort. The new law does the following:

1. The so-called "adult" book stores (porno shops) are outlawed;
2. Sexually orientated materials such as PLAYBOY and HUSTLER, etc. must be placed under the counter or behind counter with blinders;
3. It provides for the prosecution of cable pornography;
4. Penalties for violations are increased from misdemeanors to felonies;
5. The ill-conceived "adversary hearing" provision has been removed.

he law becomes effective October 1, 1985, and all complaints should be irected to local district attorney for legal proceedings and prosecution.

. Alcohol (Liquor-Beer-Wine):

1. Drinking age set at 21 for all alcoholic beverages;
2. The misguided "Happy Hours" have been abolished;
3. A Dram Shop bill passed the House and will be before the Senate in June, 1986;
4. An increase in the legal limit from one gallon to five gallons was defeated;
5. Allowing convention Centers to have brown-bagging was defeated;
6. Allowing ABC permits to those convicted of felonies was not approved;
7. An establishment convicted of gambling permanently loses its ABC permit.

C. Gambling:

1. The statewide Lottery Act was defeated;
2. The "Casino" game bill for non-profit organizations was rejected;
3. Efforts to liberalize state bingo laws were turned back.

D. Abortion: The state abortion fund was decreased by 1/3 - from 1.2 million to $900,000. (North Carolina remains the only state in the Southeast to use state tax funds for medically unnessary abortions.)

II. REFERENDUMS: Good results:

A. Joneville defeated ABC Liquor Stores and beer and wine;
B. Asheboro defeated ABC Liquor Stores, beer, wine and Liquor-by-the-drink;
C. Anson County defeated beer and wine sales;
D. Liquor-by-the-drink was defeated in Morganton, Camden County, Monroe, Chatham County, Nash County, and Edgecombe County.

We are grateful to our Lord for the opportunity to apply the Gospel to contemporary moral and ethical issues, and we are grateful to you that uphold the work of the League with your prayers and financial support. Your help and support keeps us on the firing line for the causes that we share...and which we hold dear.

Bill B. Horton, Representative
Christian Action League

## BAPTIST RETIREMENT HOMES

For over 34 years the N.C. Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works - providing security and hope in the midst of sincere concern and love - bringing about the possibility for abundant life - one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administrative Staff.

The following facts and information will give an overview of the Retirement Homes ministry from August 1984 - June 1985:

-The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.

-Over 30 new residents were admitted to the Homes and Nursing Care.

-Group Home fees were not raised. Cost containment and budget controls made this possible.

-Over $100,000 of benevolent care was provided monthly to Home residents.

-Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.

-"Heart to Heart" Christmas gifts from friends of the Retirement Homes provide each resident with a $20 gift.

-The Homes' Nursing Care Unit, Winston-Salem, can now care for 85 persons Conversion of eleven Hayes Home rooms made this increase possible.

-Apartment policies have been revised. Plans are being formulated to build another duplex unit on the Hayes Home Campus.

-The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson Hoyle, Administrative Offices, Winston-Salem, NC

-After more than 24 years service to North Carolina Baptists and the Retirement Homes, President Bill Poole retired. William B. Stillerman has been elected to this position.

-The first meeting of the Retirement Homes' "Heritage Club" was held. The club members have included Homes in their estate planning. Last year, through bequests, trusts, etc., over $400,000 was given to support the Retirement Homes' ministry. Information about Heritage Club is available from the Administrative Office, Winston-Salem.

-The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults - Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

Nane Starnes, Representative
Baptist Retirement Homes

# THE COOPERATIVE PROGRAM

n the report from the Baptist State Convention office for Cooperative rogram gifts January 1 through September 30, 1985, total churches in uncombe Association are 94. Of these, 74 give through the Cooperative rogram and 20 are listed as not giving anything. 51 churches increased heir gifts compared with a year ago.

t has been stated that it only takes one generation for the world to ecome pagan. But - it only takes one year for a church to cease giving hrough the Cooperative Program. It is not a one time decision that lasts orever. Why do people not give through the Cooperative Program? I think here are four reasons: ignorance, distrust, changing priorities, and he pastor.

he Cooperative Program was adopted by the Southern Baptist Convention n 1925 in Memphis, Tennessee as a way to financially undergird all our issionary endeavors. It is a Southern Baptist mission support family lan. We must trust each other in the spending of the funds; we must place t first in preparing our budgets; we must have pastors who believe in t and encourage members to give.

n Ezekiel 17 we read of Joshua leading the armies of Israel against the malekites. Moses was to hold the rod high and Israel would win, but e became tired and Aaron and Hur became strengthening agents and held is arms up. We can draw an analogy from this likening Moses to the church nd his arms to prayer and financial support through the Cooperative Pro-ram. As long as we have such a team the more than 50,000 people directly upported by the Cooperative Program will win the battle for Christ.

ay the next 60 years bring even greater achievements in the coming of he Kingdom of God - evangelism, increased churches, increased missions, ducation, and benevolence.

For the fourth year in succession there has been no increase in cost This is to permit as many of us as possible to subscribe.

What are Baptists doing in their churches, associations, state, nation and world? The BIBLICAL RECORDER will tell you.

Your church needs to put the BIBLICAL RECORDER in its budget, but if yo can't get that done, at least subscribe for yourself and two or thre other families.

Baptists and their colleges have been doing Christian education togethe for a long, long time. Look at those dates listed with each college above When they are totaled, the cumulative number of service years for ou seven colleges is 779! North Carolina Baptists have grown up with thei colleges, so much so that it is difficult to imagine our total missio program without them.

If you should ask our college leaders what is uppermost on their mind these days, you would get an answer such as this: "Christian education Baptist students and Cooperative Program support." A sentence or tw about each of these will complete this report.

Christian Education. There are large and important differences that belon to Baptist colleges. They are smaller, friendlier campuses where Christia community is present and encouraged and where education and the Christia faith are compatible.

Baptist Students. Young people from our churches are encouraged to appl to Baptist colleges. Pastors and parents help students when they guid them to Baptist schools. Generous student aid and work study program make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperation Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

# BAPTIST LAY WITNESSING FOUNDATION

he Baptist Lay Witnessing Foundation continues to be used of our Lord n a great way. This year, 1985, will be one of our best years of growth, ommitment and involvement in both witness and training. We are continuing o train team members as well as coordinators.

he annual meeting of BLWF was held at Camp Caraway in August. The new late of officers and a board of directors were elected to lead us to ven greater heights in 1986. We have pledged ourselves to becoming better itnesses for our Lord.

ll coordinators of BLWF Lay Witness meetings must complete the Lay Evange-ism School as taught by Richard Everett of the Evangelism Department f the Baptist State Convention. This was a directive from our board of irectors. We had this training at Caraway on August 17-18, 1985. We were rivileged to also have with us to train team members Dr. Malcolm Tolbert, rofessor of New Testament at Southeastern Seminary.

nother great event in the Lay Witness ministry was an area-wide crusade n the High Point area in October of '84. There were 14 churches that ad simultaneous Lay Witness meetings. God blessed this effort. Many lives ere changed and several of the churches were moved to begin a witness rogram. The area-wide crusade seems to be a developing trend. September 9-22, 1985, we will be in Lebanon, Ohio with five churches in the Cedar Valley Association. October 17-20, 1985 we will be in the Atlanta area ith four churches. These four churches are all missions in the fast growing area around Atlanta. Pray that we will be submissive to the Lord's ill.

There are three coordinators for the BLWF in the Asheville area. Andy Lawson, Julian Lanning and Mike Smith. If you are interested in a Lay Witness meeting in your church you may contact the Buncombe Baptist Association office and Gayle Brown, Director of Missions, will make the contact or if you prefer you can contact David Langford, N. C. Baptist State Convention, Brotherhood Department, Raleigh, N. C. for information. David Langford is the Executive Secretary of the BLWF.

## YOUTH AND CAMPUS MINISTRIES

One of the most exciting and challenging ministries of North Carolina Baptist churches through our Convention is that done by the Division of Youth and Campus Ministries. Our task on behalf of junior and senior high school students is to provide leadership training for adult and youth leaders to coordinate the Convention's several programs which include youth, and to project the Convention's Youth weeks at the Assembly. Rick Traylor does an exceptional job in that area.

You have assigned to us your primary ministry with students. We have BSU or some organized group work on 43 campuses. More than thirty volunteers work alongside some twenty full-time campus ministers and four other staff persons in your ministry to students. We as campus ministers are committed to serving consistently as resource persons for church workers with college students in all North Carolina Baptist congregations. We guide in local emphases which include evangelism, missions experience and education, Bible study, worship, integration of faith and education and decision making as part of Christian discipleships. Over $40,000 has been contributed by BSUers this year toward a state-level missions program which witnesses around the world. Additional money and time are invested as students find ways to serve in local communities, usually alongside their older Christian brothers and sisters.

Our BSUs from Cullowhee to Greenville and Murfreesboro have teams of students who are prepared to preach, teach, sing and share with those in Baptist churches nearby. Puppet and clown teams, in addition, present the Gospel in unique but effective ways to children, senior citizens and everyone in between!

In seven locations - Cullowhee, Boone, Greensboro, Chapel Hill, Raleigh, Greenville and Pembroke - the Convention owns student centers, facilities especially dedicated to ministry with persons in the academic communities.

"and all ministries and work regarding Christian Social Ministries now be referred to as the ministries and work of CHURCH AND COMMUNITY MINISTRIES."

. Change relating to Evangelism Council and referring to all ministry and work regarding evangelism.
